

Registration Information

Order No.	3955437
Agency Name	Impact Counseling Service
Job Title	School-Based Mental Health Professional
Job Description (including hours and responsibilities)	<p>Part Time and Full-time School-based Mental Health Positions starting August 16th, 2021 Interested in getting great clinical experience and supervision? Want to work for an agency where you get to really know and learn from your more experienced colleagues? Want school holidays off to pursue other interests and/or enjoy your family? This may be the job for you.....We are seeking part time and full-time mental health professionals for school-based mental health services at an agency in Williamson County—Impact Counseling Services, Inc.. Duties include: group and individual counseling for students, family counseling, parent education, crisis intervention, consultation with educators, and case management. Documentation requirements are very reasonable. Candidates will: be licensed mental health professionals (e.g. LMSW, LCSW, LPC-Intern, LPC, LMFTA, LMFT), have experience working in schools, enjoy the fast-paced school culture, be familiar with group work, have experience providing therapy, and provide culturally competent services. Fluency in Spanish is preferred and residence in Williamson County is a plus. Openings starting on August 16th, 2021 for campuses serving students of all ages. Mileage reimbursement is provided for driving between locations, but not for the distance from home to your primary campus. Please consider the distance you'd need to drive each day to work and back before applying. If hired, you would be required to attend 5 days of training virtually from August 16th-20st. On August 20th you will connect with your schools to establish plans for your arrival on August 23rd. Your position would begin at the school campus or campuses on</p>

	<p>August 23, 2021 and end on June 6, 2022. You will need to be prepared to offer services on campus, virtually, or a hybrid of both. Part time positions are 1-3 days at 7.5 hours/day. Full time positions are 5 days per week and you will be paid for 37.5 hours/week for the duration of the school year. These positions have school holidays off which are determined by the school calendar of the district you are working in. The annual pay for full time positions starts at \$43-\$45K with an option for group health insurance. This position will provide approximately 1,275 clinical hours towards licensure and include individual and group supervision. Please send your resume, cover letter, and 3 references to our Executive Director--Candi Gadison, LCSW-S at candi@impactcounselingservices.org. In the cover letter, please indicate any therapy experience you have providing school-based services, family therapy experience, working in a rural mental health setting, or working with clients aged 5-18 years old therapeutically.</p>
