Registration Information

Order No.	3979424
Agency Name	Baylor Scott & White Health
Job Title	Rural Patient Navigator
Job Description (including hours and responsibilities)	This role will function as a Patient navigator that will provide support to patients and families from the rural markets to help navigate our complex healthcare system in Temple. This position will be responsible for assessing community patients identified as needing care and assistance with primary care, health and self-management programs and chronic disease management. This position will work to overcome nonclinical obstacles that prevent them from receiving care and treatment required and will provide them with resources and assistance to navigate the complex healthcare system. The position will work in the foundation and work closely with Foundation Leadership. Additionally, the position will be available to help the case management department with some of the rural patients that are discharged from the hospital that need post hospitalization care and navigation.
Job Location	Temple, Texas
Salary Range	based on experience
Qualifications	- EDUCATION - Grad of an Accredited Program - EXPERIENCE - 3 Years of Experience -LMSW or Registered Nurse preferred
