Open up career opportunities in museums, zoos, and other sites through the creative field of informal education!

BAYLOR UNIVERSITY

Undergraduate Minor in
INFORMAL EDUCATION
Dept. of Curriculum & Instruction (SOE) & Dept. of Museum Studies (A&S)

Alex Sudduth, BSEd '14, MSEd '15
Education Manager, Caldwell Zoo
"I found the museum to be more inspiring than a traditional classroom. Baylor created a program that furthered my development as an educator and exposed me to the ins and outs of the museum/zoo/aquarium world."

Rachel Moore, BSEd '16, MSEd '17
School Programming Manager, Dr Pepper Museum
Every year I teach thousands of students with one-of-a-kind lessons and support hundreds of teachers with classroom materials and professional development."

What to Expect:

Career Options
Prepare for exciting career opportunities in museums, zoos, galleries, historical landmarks, parks, and more!

Dynamic Environments
Go "behind the scenes" at a real museum or site through a practicum course that builds expertise in programming and teaching techniques for informal education.

Creative Outlet
Learn to design dynamic curriculum and implement hands-on, creative learning experiences that explore and interpret the information, concepts, and cultural values of informal learning sites.

Best of Baylor
Gain experience in Baylor's Mayborn Museum Complex and benefit from the expertise of outstanding faculty in two Baylor departments.

"Museums and informal sites need qualified professionals with experience, and this minor offers undergraduate students the opportunity to prepare for these creative careers."
— Dr. Sandi Cooper
