Chapel Alternatives - Spring 2020

Baylor Chapel Prayers are available to some students who have unique circumstances, certain interests and passions, or who are members of one of our Residential Colleges. Please notice that, for some chapel alternatives, approval is required through the Chaplain’s office or through a Residential College advisor.

109 - Praying the Psalms - Bobo Chapel Tuesday, 3:30 – 4:30 – 25 students (Carlos Colón)
Worshipping communities have been praying the biblical Psalms for thousands of years. Pastor and martyr Dietrich Bonhoeffer aptly called the Psalter "the prayer book of the Bible." In this chapel alternative, we will learn how to pray, read, sing, and study the Psalms with the hope that they will equip us to walk with thanksgiving, wisdom, and open hearts. The class will be supplemented by short readings, both ancient and contemporary.

121 – Spiritual Direction - Bobo Chapel, Thursdays 3:30-4:30 (Dr. Burt Burleson) 15 students
Spiritual guidance/direction is a historic practice of the Church that provides a sacred space to notice and respond to God in one's daily life. A spiritual guidance group addresses questions like: What is my calling? Where is God in the situation I am facing? How can I grow closer to God?

122- Faith and Sports – SFC Building, M & W, 10:10- 11:00 am
How can the Bible be practically applied to sport? Most Christian athletes know they are supposed to play for the glory of God, but what does this actually mean? Come join me and a group of your peers as we wrestle with these and other questions that will help us live out our faith in sport and life.

120- Faith and the Healing Professions – Elliston Chapel, M & W, 10:10- 11:00 am
Students in this chapel alternative will explore the ways in which faith perspectives and spiritual practices form and prepare future healthcare professionals to deal with the challenges they will face. Each week will include talks and discussions that emphasize the importance of a healthy spiritual life and that encourage the development of practices early in someone’s career.
