Dear Student Employee Partners,

Do you still have open student employee positions you need to fill? On September 19, 2018, from 2 pm to 5 pm we are having a Part-Time Student Job Fair in conjunction with our Summer Camp Fair. **If you are interested in having a table to visit with students please let me know by the end of the week.** There is not a cost associated with this fair and you are not obligated to stay the whole time. We are reaching out to Federal Work Study eligible students and target specific pockets of students to push to this fair.

If you are unable to attend, the following week we will also have a Liberal Arts Fair & Symposium and we will have a table to assist students with the application process. We will be able to promote your positions at that fair as well.
