

Community Service Partner & Aramark Student Employment Hiring Process In Ignite

1. Request a Job Posting by completing this form:

[Requisition Request Form](#)

Once the position is posted to the Student Employment website you will receive an Ignite link to use for the hiring process

2. Student applications and resumes will be emailed directly to the line manager for review.

3. Conduct interviews and identify the final candidate to hire for your position

4. Send the Ignite requisition link to desired student to initiate the hire process and complete this form:

[Hire Request Form](#)
