Position Title: Bilingual Tutor

Community Service Partner: Communities in Schools of Heart of Texas

Job Description: Bilingual tutors will help bilingual students in the academic subject of math or reading. This position will be mobile and may travel to different campuses, depending on the needs. This includes primarily assisting students with homework or GED work. Tutors are required to attend periodic meetings and professional trainings that will equip them to be more effective. Tutors are responsible for completing detailed service logs for each student that they work with.

Hourly Rate: $10.50/hour with $1 increase for each returning year

Apply for Position: Please attach and email your application materials (application form, resume, and cover letter) to tutor@cis-hot.org.

Please DO NOT send application materials to Student Employment.
