

Nutrition Intern
Aramark
Job Description

Position Title: Nutrition Intern

Community Service Partner: Aramark

Job Description: Responsible for working in our special dietary stations (Vegan or Made without Gluten) to ensure that safe food handling procedures are being followed. Intern will help prep and serve food, monitor proper allergen management procedures, and help to plan and implement special menus and events out of special dietary stations. Intern will also work closely with Baylor Dining Registered Dietitian (Taylor Beard) and Food Service Director (Kevin Merritt) ensuring that food safety and quality measures are enforced. Intern will also have other duties as assigned by Registered Dietitian. Student must be a nutrition student and/or food service management student or other health related major with aspirations to be a registered dietitian, food service manager, or culinary chef. Must commit to at least 1 semester.

Hourly Rate: \$9.50 - \$11.00/hour

Apply for Position: Please attach and email your application materials ([application form](#), resume, and cover letter) to BDS_StudentProgram@baylor.edu.

Please **DO NOT** send application materials to Student Employment.
