STUDENT SENATE LEGISLATIVE PROPOSAL

TITLE: SUB TimePark Parking

AUTHORS: Katy Crawford, Carleigh Allan

SPONSORS: Carleigh Allan

Whereas: Student Senate is elected by the student body to represent and voice the opinions of students; and

Whereas: Student Senate is a means by which students’ concerns are addressed; and

Whereas: The Student Union Building (SUB) recently added Amazon lockers and has plans to expand its dining offerings; and

Whereas: Many of the resources and facilities in the SUB are quick, such as just grabbing food or a package; and

Whereas: Parking is very limited near the SUB and is devoted to faculty and visitors. Currently, no options exist for students to park directly near the SUB for a limited amount of time; and

Whereas: Upperclassmen not living on campus would greatly benefit from the opportunity to park in a place near the SUB for a limited amount of time; and

Whereas: Creating 3-5 TimePark spots near the Student Union Building would allow greater convenience of on-campus restaurants and mail services housed in the SUB; and

Whereas: This would facilitate higher usage of the SUB facilities (including restaurants, Amazon lockers, mail services, and printers) among students of all classifications.
Therefore: Be it resolved by the 67th Legislative Session of the Baylor University Student Senate assembled that 3-5 parking spots near the Student Union Building be devoted to TimePark spots and be available to students.

Furthermore: A copy of this resolution will be sent to Matt Penney, Director of Parking Services; Mark Childers, Associate Vice President of Department of Public Safety; Dr. Matt Burchett, Director of Student Activities; and Dr. Kevin P. Jackson, Vice President for Student Life.
