Whereas: Student Senate is elected by the student body to represent and voice the opinions of students; and

Whereas: Student Senate is a means by which students’ concerns are addressed; and

Whereas: Baylor University is committed to students’ mental health through initiatives such as the Baylor University Counseling Center; and

Whereas: There is a fee of about $10-$15 associated with requesting a personal copy of counseling records which could inhibit low income students from retrieving their records; and

Whereas: The Baylor Health Center does not have a fee associated with retrieving records for current students; and

Whereas: Eliminating the fee associated with retrieving records from the Counseling Center would be consistent with retrieving records from the Health Center; and

Therefore: Be it resolved by the 67th Legislative Session of the Baylor University Student Senate assembled that the Baylor University Counseling Center’s record request fee be eliminated.
Furthermore: A copy of this resolution will be sent to Dr. Jim Marsh, Executive Director for Counseling Services; Dr. Matt Burchett, Director of Student Activities; and Dr. Kevin P. Jackson, Vice President for Student Life.
