Monday Healthy Tip from Monday Campaigns

www.BaylorBears.com

Monday, February 26, 7:30 p.m.

30 minutes – but what we do during the rest of the day also plays a role in our health. This Monday, remember to move around and keep your heart beating! Sitting for hours every day may seem like a decent way to relax, but it may be bad for the heart. The recommended amount of physical activity per day is about 30 minutes. It is crucial to move around and exercise consistently to maintain a healthy heart.
