CRIME PREVENTION TIPS

Crime Prevention Tips for the Thanksgiving Break...

When shopping:

- When parking your vehicle to go shopping, remember where you parked it! Always park in a well-lit and well-traveled area. Do not park in a remote dark area. Use a pin drop feature on a smart phone to mark where you park.
- When you return to your vehicle, scan the interior of your car to be sure no one is hiding inside and underneath the vehicle. Check to see if you are being followed. Avoid being pre-occupied while walking to your vehicle. Keep your head up and walk with confidence.
- Have your keys in hand when approaching your vehicle. You will be ready to unlock the door and will not be delayed by fumbling and looking for your keys.
- When storing items purchased at the stores, place them out of sight. The best place is in a locked trunk.
- Keep a wallet and phone in your front trouser pocket.
- Do not resist if someone tries to take any of your belongings. Do not chase someone who robs you, they may have a weapon. Call 911 instead.
- If you go to an automatic teller machine check your surroundings and make sure it is well lit and in a safe location.
- Check the ATM for external "skimmers" or devices that copy your credit card information. Look for the red seal at gas pumps.
- Carry only the credit cards you need and avoid carrying large amounts of cash.

Your Vehicle:

- Do not leave your purse, wallet, or cellular telephone in plain view unattended in your vehicle.
- Lock your vehicle and make sure your windows are always up even while you are driving.
- Drive defensively. Traffic is heavier during the holidays. Drivers may also have indulged in too much holiday spirits.

For the Home/Apartment:

- Always lock doors and windows when you leave your house or apartment, even for a few minutes.
- Don't advertise... burglars look for occupancy cues like outdoor lights burning 24 hours a day, piled up newspapers, mail, or advertising flyers hanging on the door knob and merchandise boxes such as TV, computers, etc.
- Use an inexpensive light timer when you are away and ask a neighbor to pick up your newspapers and mail. If you are going away for the holidays you can stop your mail online at <https://holdmail.usps.com/holdmail/>.
- Before leaving, report any building security issues to the hall director or apartment manager.
- Properly secure your bicycles to a bike rack using a U-lock.
- Determine who the last person will be to leave and ensure they do a double check prior to leaving.
- If you go out for the evening, turn on a radio or television so the interior of your apartment appears to be occupied. Burglars know to look for the hidden door key near the front entrance. Don't hide spare keys under rocks, in flowerpots, or above door ledges. Instead give the spare key to a trusted neighbor.
- Burglars prefer to enter through unlocked doors or windows at the rear of the building to avoid detection. Turn on intruder alarm if you have one.
- When packing your vehicle for the holidays, never leave your vehicle unsecured or unattended between loads. Do not leave valuable items in plain sight.
- According to the National Highway Traffic Safety Administration, DUI arrests are the highest between Thanksgiving and New Year's Eve. Thanksgiving Eve is referred to as "Black Wednesday" because it is the heaviest traveled day of the holiday. It is estimated that there will be approximately 400 traffic related fatalities and 40,000 injuries from Wednesday, November 21, to Sunday, November 25. Please drive defensively and remember the **Baylor Police Department wants to wish you all a happy and safe Thanksgiving Break.**
