## OPPORTUNITIES

### Football Student Ticketing Information

Due to the proximity of the upcoming football games with the holidays, **the next two football launches will be moved forward to aid in your holiday travel planning.** The ticket launch for the November 28 football game against Kansas State will launch **Tuesday, November 10** at 3 p.m. if you are still eligible for early access and 4 p.m. for everyone else. The ticket launch for the December 12 football game for Oklahoma State University (rescheduled from homecoming) will launch **Tuesday, November 17** at 3 p.m. if you are still eligible for early access and 4 p.m. for everyone else.

In order to give the highest equitable chance for all students to attend a football game this season, the 3 p.m. early access will be available only to those who have not yet secured a ticket to any section for any game this season. Ticket returns for the Nov. 28 Kansas State game must be returned by Friday at 5 p.m. on November 13 to keep your early access for next ticket launch on November 17.

To be ready for the randomized Queue selection during each launch, be sure to check your access to your student ticket account prior to launch day. Ensure you have your password is correct, and that you have not inadvertently created a separate public account (non-student account) that is linked with your Baylor email. Creating a separate public account with your Baylor email will lock out your student access to tickets. If you have questions or concerns about your ticket account, please contact [BDSTICKETS@Baylor.edu](mailto:BDSTICKETS@Baylor.edu) and include your BU ID and concern in the email.

The Career Center has themed each month this fall to help you to achieve your career goals. November is all about **ACTION**. What does that mean? It simply means to do something proactive towards your professional plans. No matter what your classification – you just need to get going. Here are some ideas:

- **Freshmen** - start your résumé, take a career assessment, meet with your CSP.
- **Sophomores** - research internships, update your Handshake profile, meet with your CSP.
- **Juniors** - apply for internships, expand your network, meet with your CSP.
- **Seniors** - customize your résumé to job descriptions, practice interviewing, apply to jobs, meet with your CSP.
- **Graduate Students** - update your LinkedIn profile, apply for jobs and internships, meet with your CSP.

What actions are you going to take in November? If you aren't sure where to start - make an appointment with us! We say it a LOT, but 83% of students that meet with CSP's find professional success within 90 days of graduating. [Make an appointment with your CSP today!](#)
