Happy Tuesday, Bears!

Each week during the regular academic year, What's New BU emails provide Baylor Bears with a calendar of activities for the week. During this Summer of Discovery, these emails will provide you with valuable academic study resources and some information about Baylor programs and traditions. We recommend that you save these emails as they will contain helpful study tips and a number of contacts that you may need if you face challenges. Also, be sure to follow all the Baylor Student Life social media accounts you'll find at the bottom of this email in order to stay connected.
