Happy Monday, Bears!

Each week during the regular academic year, What's New BU emails provide Baylor Bears with a calendar of activities for the week. During this Summer of Discovery, these emails will provide you with valuable academic study resources and some information about Baylor programs and traditions. We recommend that you save these emails as they will contain helpful study tips and a number of contacts that you may need if you face challenges. Also, be sure to follow all the Baylor Student Life social media accounts you'll find at the bottom of this email in order to stay connected.

Have Some Questions?
Have some questions? Need a little reassurance? Would it help to talk to someone who knows a lot about being a Baylor student? CARE Team Services has a great staff who are really good listeners! They are committed to caring for students wherever they are and making sure they are connected to resources outside the classroom in order to ensure their success in the classroom. Contact CareTeam@Baylor.edu or call 254-710-2100.

Need Pastoral Care or Spiritual Guidance?
Baylor has always emphasized the role that chaplains and ministers have in our midst. This is especially true for our students who have access to our chaplains during their time at Baylor. Even though you are not on campus during this summer term, please know that you are welcome to reach out to the Office of the University Chaplain, 254-710-3517. Our chaplains are available for pastoral care and spiritual guidance via phone or email to Spiritual_Life@baylor.edu.

Spiritual Life
Baylor is a university that is full of opportunities for Christian community, formation, and service. In addition to a number of ministries offered through the Office of Spiritual Life, Waco churches and campus student organizations weekly engage several thousand Baylor students in experiences that help them to grow in their faith. To learn more about these opportunities, go to the Spiritual Life web page and then click on "Students." You'll see descriptions and contact information that will help you find a community of discipleship while at Baylor.
