IMPACT

This month marks the end of last year’s Student Leadership Speaker Series, which featured Dr. Edmondson in November. She spoke on ‘Educational Equity: The Power of Believing, Seeing, and Valuing All’ and challenged us to reflect on our biases and extend inclusivity. Dr. Edmondson will have a forthcoming book.

COMING UP

In the coming months, look for announcements of upcoming events and activities. For the latest details, check out our website or the campus calendar. Information will also be available in the Baylor Today e-newsletter and on social media.
