T-SHIRT PROCESS

START WITH THE DESIGN
Contact a T-shirt company that will design and give you a draft of what the shirt will look like. Make sure that everything on the shirt is Baylor appropriate and that you like the design.

GATHER THE LOGISTICS
Figure out how many shirts you want to order, how much each shirt will cost, and when/how you will distribute the shirts.

GET YOUR T-SHIRT APPROVED
Fill out the T-Shirt request form on Connect. Once you submit the form, Student Activities will let you know if your shirt is approved or if you need to make any changes to your form and/or design. Stop by the Student Involvement Center, next to CG in the SUB to check on your approval.

ORDER YOUR SHIRTS
Once Student Activities approves your form, you're ready to go! Contact your t-shirt company and start production.
