## Student Activities

---

**February 15, 2021**

Student Organization Presidents, Advisors, and Event Hosts,

Baylor University has canceled courses and telework for Monday and Tuesday of this week. In alignment with this approach, all in-person student organization events scheduled for today and tomorrow will be canceled. Student organizations may transition those events to a virtual experience or re-schedule for a later date as desired. If you have any questions about event guidance, then please email [SIS@baylor.edu](mailto:SIS@baylor.edu) for support.

Student organizations may anticipate that all in-person student organization events will be canceled while the university employs remote instruction/telework accommodations and/or closes for inclement weather. Please continue to monitor updates via the Baylor [website](#), email, and [@Baylor](#) on Twitter.

Thank you for responding to these conditions and updating student organization activities. Let us know if we can help in any way.

Sincerely,

**Matt Burchett, Ph.D.**
