“A shayna maidel” is Yiddish for “a pretty girl”, but in the traditional Jewish family sense, it means much more. It deals with the depth of beauty. It’s what a grandmother says when she looks at a child—it could be a plain-faced child or young woman—and sees in her face the beauty of innocence, a hope for the future.

—Barbara Lebow
A SHAYNA MAIDEL
by Barbara Lebow
Designed and Directed by Lisa Denman
in partial fulfillment of requirements for the
degree of Master of Fine Arts
