Tenth Annual Conference, September 24-25, 2021
Trinity University | San Antonio, Texas

The Texas Oral History Association (TOHA), founded in 1983, promotes the use and good practices of oral history research through a variety of programs and publications, including the journal Sound Historian. Comprised of individuals representing diverse interests and disciplines, the professional organization will host its tenth annual conference on September 24-25, 2021, hosted by Trinity University in San Antonio, Texas. For those who prefer to attend virtually, an online only option will be offered.

Scholars, educators, students, history enthusiasts, folklorists, family historians, and others are encouraged to submit proposals for papers or sessions to be considered for the program. Topics should include clear evidence of oral history research or provide new insights on the methodology.

Both complete session and individual paper proposals are welcome. Individual presentations must not exceed twenty minutes, and the session format will include opening remarks by a chair, followed by three papers, or by two papers and concluding remarks from a commentator.

Proposals should include the names, affiliations, and contact information of participants, the titles of sessions and papers, and a brief description of the topics to be covered. Please submit your proposals via email by June 1, 2021. Please indicate for all submissions whether you would like to present in person or virtually.

Direct all submittals and inquiries to Program Chair Abra Schnur at aschnur@trinity.edu.

Thank you and we look forward to your submissions!
