## Notes about major requirements:
- Pre-law preparation: law schools generally encourage pre-law students to achieve a broad cultural background, and many students enter law school with an undergraduate major in political science.
- Core Pre-Law Course options: at least 3 courses from PSC 3302, 3321, 3339, 4305, 4307, 4342, 4361 and 4381.
- PSC subfields: Students need to choose one 3000-4000 level course from two of the following subfields: American Political Institutions, Comparative Politics, International Relations, Political Theory and Methodology, Public Law, and Public Policy and Administration. See audit or catalog for course numbers.
- English requirement: Students are allowed to take either ENG 1304 or FAS 1118, 1128, and 1138.
- For more information, see the undergraduate catalog.

*Because of the number of electives, there is enough room for a minor or double major with this major.

Please see reverse side for important information on general requirements.
