**Notes about major requirements:**

- The student who pursues the anthropology major will be prepared to enter graduate study with sufficient training in basic areas of anthropology. It is suggested that the student take additional courses in related social, biological, and behavioral sciences.
- ANT Subfields: The student must complete a minimum of three upper level (3000-4000) semester hours in ANT from each subfield of Cultural Anthropology, Archaeology, and Biological Anthropology. See degree audit.
- ANT Electives: The student must complete at least three semester hours on ANT electives. ANT 1305 is recommended here, as it will also satisfy one Social Science course towards the BA degree requirements.
- Environmental ANT Electives: The student must complete at least six hours of advanced environmental anthropology courses from the following options: ANT 4311, 4321, 4340, 4351, 4362, 4680.
- English requirement: Students majoring in the sciences may take ENG 3300 instead of ENG 1304.
- For more information, see the Baylor Undergraduate Catalog.

*Because of the number of advanced electives, there is enough room for a minor with this major.

**Please see reverse side for important information on general requirements.**
