### Notes about major requirements:

- Courses in mathematics, the social sciences, or business administration are suggested electives.
- ECO 3308 and 3355 do not count toward the Economics major.
- Minor: Optional, may elect one or more minors. No more than three hours of the major may be applied to the minor.
- Electives: Number of electives and advanced electives will vary depending on major, minor, degree, etc.
- English requirement: Students are allowed to take either ENG 1304 or FAS 1118, 1128, and 1138. Students majoring in the sciences may take ENG 3300 during their junior year instead of ENG 1304.
- For more information, see the Baylor Undergraduate Catalog.
- Because of the number of electives, there is enough room for a minor with this major. Please see reverse side for important information on general requirements.
