Notes about major requirements:

- Potential German majors are encouraged to complete their foreign language requirements as soon as possible, including beginning with GER 1412 if possible, and using summer sessions. GER 1401, 1402, and 2310/2320 are usually offered during the summer.
- Students must take six hours of GER courses at the 4000-level.
- Baylor in Germany summer abroad program and/or the semester-long or year-long Freiburg exchange program. Suggested time for semester-long Freiburg exchange program is spring semester of junior year. Upper-level classes from both programs will transfer with advisor approval.
- GER 3301 is a prerequisite for all upper-level GER courses. GER 3301 and 3302 are pre-requisites to all 4000-level courses.
- GER 3341 and GER 3345 can be taken at any time in the four-year degree plan with advisor's pre-req waiver.
- Taking GER 3341 as early as possible, or at the latest in the same semester as GER 3301, is recommended.
- For more information, see the Baylor Undergraduate Catalog.

*Because of the number of electives, there is enough room for a minor with this major.

Please see reverse side for important information on general requirements.
