The sequence listed above is based on an 18 hour major. For majors requiring more than 18 hours, electives must be used towards courses in the major. Electives may also be used towards a second major in the Business School or a minor outside of the Business School. Elective hours will vary for each student, must be taken for a grade, and are only needed to reach the 124 hour minimum to graduate. Course selection is subject to availability and fit within each semester.

**\*Business Core**

Students must have a cumulative GPA of 2.5 in order to take ACC 2303, ACC 2304, ECO 2306, ECO 2307, QBA 2302, and QBA 2305 at Baylor.

After entering Baylor, a student may transfer in a maximum of 15 semester hours. In the lower business core, BUS 1201, BUS 1101, and QBA 2305 must be taken at Baylor.

Courses taken at Baylor may not be repeated at another school for degree credit.

Courses taken at Baylor for which the grade is a "C" or better may not be repeated.

In order to graduate, a student must attain a minimum of a "C" average cumulatively, a minimum of a "C" average in the courses for the major field, and a minimum of a "C" average in the combined Lower Division and Professional Business core.

To earn a major in Accounting, a student must attain a minimum of a "C+" average in ACC 2303 and 2304 (including repeats).

To earn a major in Entrepreneurship, Finance, Financial Planning, Real Estate, or Risk Management and Insurance, students must earn a minimum of a "C" in FIN 3310.

To earn a major in Sports Sponsorship and Sales, Marketing – Brand Engagement and Promotion track, Distribution Management and Technology or in Professional Selling, a student must submit an application for acceptance during the sophomore year.
