Notes:

- ECO 3308 and 3355 do not count toward the Economics major
- Economics courses cannot be used to meet the basic social science requirement for the B.S. degree.
- Students may waive the ECO 2306 and 2307 by satisfying one of the following:
 1. SAT math score of 650 or higher or its equivalent
 2. A grade of A in MTH 1321 at Baylor
 3. Permission of the department chair
- If ECO 2306 and/or 2307 are skipped, then additional courses in economics must be taken in lieu of the bypassed courses.
- MTH 1322 may be required for graduate school
- Minor: Optional, may elect one or more minors. No more than three hours of the major may be applied to the minor.
- Electives: Number of electives and advanced electives will vary depending on major, minor, degree, etc.
- English requirement: Students majoring in the sciences may take ENG 3300 during their junior year instead of ENG 1304.
- For more information, see the Baylor Undergraduate Catalog.

*Because of the number of electives, there is enough room for a minor with this major.

Please see reverse side for important information on general requirements.
