Mission of Baylor University

The mission of Baylor University is to educate men and women for worldwide leadership and service by integrating academic excellence and Christian commitment within a caring community.

Chartered in 1845 by the Republic of Texas and affiliated with the Baptist General Convention of Texas, Baylor is both the state’s oldest institution of higher learning and the world’s largest Baptist university. Established to be a servant of the church and of society, Baylor seeks to fulfill its calling through excellence in teaching and research, in scholarship and publication, and in service to the community, both local and global. The vision of its founders and the ongoing commitment of generations of students and scholars are reflected in the motto inscribed on the Baylor seal: Pro Ecclesia, Pro Texana – For Church, For Texas.

Pro Ecclesia. Baylor is founded on the belief that God’s nature is made known through both revealed and discovered truth. Thus, the University derives its understanding of God, humanity, and nature from many sources: the person and work of Jesus Christ, the biblical record, and Christian history and tradition, as well as scholarly and artistic endeavors. In its service to the church, Baylor’s pursuit of knowledge is strengthened by the conviction that truth has its ultimate source in God and by a Baptist heritage that champions religious liberty and freedom of conscience. Without imposing religious conformity, Baylor expects the members of its community to support its mission. Affirming the value of intellectually informed faith and religiously informed education, the University seeks to provide an environment that fosters spiritual maturity, strength of character, and moral virtue.

Pro Texana. Integral to its commitment to God and to the church is Baylor’s commitment to society. Whereas that society in the mid 1800s was limited to Texas, today Baylor’s sphere of influence is indeed the world. The University remains dedicated to the traditional responsibilities of higher education – dissemination of knowledge, transmission of culture, search for new knowledge, and application of knowledge – while recognizing the global proportions these responsibilities have assumed. Moreover, within the context of an ethnically and culturally diverse community, Baylor strives to develop responsible citizens, educated leaders, dedicated scholars, and skilled professionals who are sensitive to the needs of a pluralistic society. To those ends, Baylor provides expanded opportunities for civic education and for church and community service at home and abroad.

Pro Ecclesia, Pro Texana. Baylor University is committed to excellence at the undergraduate, graduate, and professional levels. Within the undergraduate programs, the University seeks to familiarize students with the principal bodies of knowledge, cultural viewpoints, belief systems, and aesthetic perspectives that affect the world in which they live. Within the graduate and the professional programs, the University provides advanced educational opportunities to develop ethical and capable scholars and practitioners who contribute to their academic disciplines, professional fields, and society. Baylor encourages all of its students to cultivate their capacity to think critically, to assess information from a Christian perspective, to arrive at informed and reasoned conclusions, and to become lifelong learners. Beyond the intellectual life, the University pursues the social, physical, ethical, and spiritual development of each student.

Aware of its responsibility as the largest Baptist educational institution in the world and as a member of the international community of higher learning, Baylor promotes exemplary teaching, encourages innovative and original research, and supports professional excellence in various specialized disciplines. Advancing the frontiers of knowledge while cultivating a Christian world view, Baylor holds fast to its original commitment – to build a university that is Pro Ecclesia, Pro Texana.

History of Truett Seminary

“There is one thing I know about George Truett, wherever he speaks, the people do what he asks.”

The words of Rev. R.F. Jenkins, pastor of the First Baptist Church of Whitewright, Texas, accurately characterized the lifestyle of a young man who would eventually serve as pastor of the largest Baptist church in the world and whose name would become a household name among Christians who believed in and espoused personal religious liberty and the separation of church and state.

Shortly after enrolling at Baylor in 1893, Truett was called to become the pastor of the East Waco Baptist Church. The church was the answer to the financial assistance that Truett sought, and he remained with the church during his four years at Baylor. East Waco was the first of only two congregations which Truett would lead, for shortly after graduating from Baylor in 1897, he was called as minister of the First Baptist Church of Dallas. It was from this pulpit that he fulfilled God’s plan for his life until his death nearly five decades later.

The words of Rev. Jenkins about the young George Washington Truett were truly prophetic, for throughout his 50-year ministry, people clamored to hear him preach and did their best to follow his suggestions and emulate his example of Christian living. Though rewarded during his lifetime with many accolades and named to numerous responsible positions, including the presidency of the Southern Baptist Convention and the Baptist World Alliance, George Truett never sought to be anything other than God’s messenger doing God’s will, as God directed.

The words “thou good and faithful servant” surely rang in Truett’s ears as he fell on that last sleep on July 7, 1944.

On July 24, 1990, the Board of Trustees officially reserved with the Secretary of State of Texas the name “George W. Truett Theological Seminary,” in the event the Board decided sometime in the future to create a seminary. On March 25, 1991, the George W. Truett Theological Seminary was chartered and a fifteen-member Board of Trustees was named by the University’s Board of Regents to investigate the feasibility of operating a seminary. (On September 21, 1990, the University Trustees had changed Baylor’s charter in order to have greater freedom in the selection of the University’s governing board. By this action the University Trustees became Regents.)

An organizational meeting of the Seminary Trustees was held on July 18, 1991, at which time officers were elected and a statement of purpose was developed. A joint meeting of the Seminary Trustees and the Board of Regents was held on January 17, 1992, and further investigation and discussion was authorized. On May 21, 1993, the Board of Regents approved the opening of the George W. Truett Theological Seminary with the beginning of the 1994-95 academic year.

At the same meeting the Regents voted to accept the gracious offer of First Baptist Church, Waco, to house the Seminary on the second floor of the church’s B.H. Carroll Education Building for the first years of its operation. Space was designated for the exclusive use of Truett Seminary for administrative and faculty offices. Classrooms and other areas were specified for the joint use of the Seminary and First Baptist Church. Reminiscent of earlier years of theological education at Baylor, when classes for ministers were held by Rev. B.H. Carroll, then pastor of First Baptist Church, in his study, Truett Seminary opened offices in the Carroll Education Building on August 1, 1993. Faculty offices were added in July 1994.

The opening convocation service was held on August 28, 1994, with 51 students registered. The Truett Seminary inaugural class graduated from Baylor University in May 1997.
Facilities and Activities

The Baugh-Reynolds Campus

George W. Truett Theological Seminary is housed in a 64,000-square-foot facility on the Baugh-Reynolds Campus, adjacent to the northern edge of the Baylor campus. Located at 1100 South Third Street, the building provides space for classrooms, a teaching chapel, a lecture hall, conference rooms, the 550-seat Paul W. Powell Chapel, and the Paul and Katy Piper Great Hall as well as administrative and faculty offices. Spring 2002 marked the beginning of classes for students at Truett Seminary’s Baugh-Reynolds Campus.

Baylor University

Baylor University, founded by Texas Baptist pioneers, was chartered in 1845 by the Republic of Texas. Located on the banks of the Brazos River, the University campus encompasses more than 700 acres and more than 100 buildings. As an integral part of Baylor University, Truett Seminary students and faculty have access to an exciting range of facilities and activities.

Library and Computing Resources

Reorganized in 2002 as the 21st Century Library, the Baylor library system connects people with ideas in support of teaching, learning, scholarship and academic distinction. The central libraries, special libraries and resource centers of Baylor house more than 2.1 million bound volumes, 1.9 million microforms and thousands of electronic resources, audiovisual items, maps, charts and photographs. BearCat, the University’s electronic online catalog, allows easy access to Baylor library materials.

The central libraries include Moody Memorial Library and Jesse H. Jones Library. Moody Library is home to the largest of the University’s general access computing facilities, as well as the Prichard Family Information Commons and Starbucks.

The special libraries include Armstrong Browning Library, The Texas Collection, Baylor Collections of Political Materials and the Sheridan and John Eddie Williams Legal Research and Technology Center. The resource centers include the J.M. Dawson Church-State Research Center, the Learning Resource Center in the School of Education and the Learning Resources Center at the Louise Herrington School of Nursing in Dallas.

One hundred laptop computers are available for checkout by faculty, staff and students. Baylor’s wireless data network, AirBear, is available throughout the majority of the campus. With AirBear, faculty, staff and students can connect their laptop computers to the Internet from almost any location on campus, unencumbered by a physical network connection.

Other Facilities, Activities, and Services

The University environment provides rich cultural opportunities through the Baylor School of Music, the Theatre and Art departments, and various museums, including the Jeanes Discovery Center within the Mayborn Museum Complex. In addition, Truett students enjoy the benefits of special lecture series, the McLane Student Life Center, health and wellness services, recreational activities, and the intercollegiate athletic competition of the Big 12 Conference. See the Student Policies and Procedures online for descriptions of these offerings.

Houston Campus

In 2018, the George W. Truett Theological Seminary opened its Houston campus at Tallowood Baptist Church. The campus provides space for classrooms and conference rooms as well as the administrative offices for the Houston campus. Students at the Houston campus have access to the resources at the Lanier Theological Library.

Admissions – Master of Divinity, Master of Theological Studies, and Master of Arts in Christian Ministry

General Requirements
Admission to the George W. Truett Theological Seminary is by formal application. Truett Seminary complies with all applicable federal and state nondiscrimination laws and does not engage in prohibited discrimination on the basis of race, color, nationality or ethnic origin, sex, age or disability.

Information regarding admission to the Doctor of Ministry degree program is located on page 87 of this catalog. Information about admission to the Ph.D. degree program is on page 93.

Applicants must have a bachelor’s degree from an accredited institution in the United States or proof of equivalent training at a foreign university. Although several factors constitute the total profile for admission (application materials, GPA, evidence of Christian commitment, and interviews), as a general rule a minimum grade point average of 2.7 overall and 3.0 in the major is required. The admissions committee may admit applicants on a provisional status. For entrance into the masters’ programs only undergraduate grades or post baccalaureate (not graduate) grades are calculated to provide the GPA. Final approval for admission is given by the Dean of the Seminary.

An undergraduate student currently enrolled at Baylor University who, at the beginning of the final baccalaureate semester, lacks no more than ten semester hours of degree course work may, upon admission to the seminary, register for M.Div., M.A.C.M., M.T.S. or coursework subject to the following conditions: 1) all coursework for the bachelor’s degree must be completed during that semester; 2) total registration for the semester must not exceed fifteen semester hours; and 3) the student’s overall grade point must satisfy the minimum 3.0.

Students applying for the joint degrees also must apply to the Diana R. Garland School of Social Work, the Law School or the Graduate School and complete all appropriate requirements toward admission to that program.

Upon acceptance, students will receive a letter of admission into the master’s program for which they have applied. Students are required to express their intent to enroll through the online application system and remit an enrollment deposit of $300, paid online or with check payable to Truett Seminary.
and mailed to the Truett Admission Services Office. The deposit will be placed in the student’s account and credited toward tuition and fees for the semester when enrollment is completed. If enrollment is not completed by the 12th class day, the fee will be forfeited.

Deadlines for all completed applications, including references, to be received at Truett are as follows:

- Summer entrance: April 1
- Fall entrance: May 1 (Priority) / July 1 (Final)
- Spring entrance: November 15

Applications received after the deadlines will be placed on inactive status until the applicant notifies the Admissions Services Office concerning his/her anticipated initial semester.

Seminary tuition and fee rates are applicable to students solely within a seminary degree program or within seminary joint programs (MDiv/MSW, MTS/MSW, MDiv/MM, MDiv/MBA, MDiv/JD, MDiv/MSEd). If a student is concurrently enrolled within two degree programs at Baylor University involving a seminary degree program and an undergraduate or graduate degree program then that student’s primary status is designated as undergraduate or graduate and tuition and fee rates specific to undergraduate or graduate status will be charged across all coursework. For example, if a student is within their final semester of an undergraduate program at Baylor University and is admitted to seminary and takes a seminary course, undergraduate tuition and fees will be charged across all coursework to include the seminary course for that particular semester. Additionally, if the student were eligible to receive a seminary scholarship, that award would be restricted to seminary coursework and the seminary tuition rate. Once the student’s undergraduate degree is conferred and their primary status becomes seminary, seminary tuition and fee rates would then be applicable.

Requirements for International Students

International candidates for admission must attain a minimum score of 550 (paper-based), 213 (computer-based), or 80 (Internet-based) on the Test of English as a Foreign Language (TOEFL), or a minimum overall band score of 6.5 on the International English Language Testing System Exam (IELTS).

Students (either non-U.S. citizens or U.S. passport holders) who have completed work at either a college/university located outside of the United States must adhere to the following guidelines when submitting transcripts:

- Transcripts or mark sheets must include: years of enrollment, course titles and all marks earned for each course for each semester of enrollment. For freshman applicants: If a student’s school or education system consists only of three years of secondary school, a transcript of mark sheet should be submitted for the year prior to secondary school.
- Transcripts should be submitted in the original language and accompanied by an official literal English translation.
- Although original documents are preferred, certified photocopies are acceptable when a signature and the stamp from the school or government official is included. Copies received through fax, email, or submitted by the student in an unsealed envelope will NOT be accepted.

International applicants must obtain the assistance of an international official in monetary matters to confirm in writing that the applicant is capable of sustaining financial security during the U.S. period of study. The U.S. Immigration and Naturalization Service will NOT approve off-campus employment of international students during the student’s first year in the U.S.

When all of the preceding requirements have been received and satisfied, and after the applicant has been accepted by the seminary, an I-20 or IAP-66 form will be mailed to the student so that an F-1 (student) visa classification can be obtained from the admitted student’s nearest U.S. Embassy or Consulate. After admission, Baylor University will require that the international seminary student and dependents obtain medical insurance.

Given the many adjustments for new students arriving to the U.S. and Truett Seminary, it is mandatory that international students come alone for their first semester at Truett. It is in the best interest of the student and their family that this be in place, as it (1) allows for the student to adjust to challenges of their move and seminary life, (2) allows the student to determine the financial implications of family living here and better discern if and when the family will arrive, and (3) allows the student to become familiar with the Waco community and investigate any school/educational options for young children. Additional financial resources are needed for living expenses and required health insurance for each family member. As with the student, documentation of resources to cover family expenses is required by the US CIS and is extremely costly.
Student Responsibility

It is the student’s responsibility to become informed of and to observe all regulations and procedures for degree completion required by Truett Seminary. This includes strict attention to all internal deadlines, such as application, degree completion, registration, and graduation as well as satisfying all requirements leading to degree completion.

Financial Aid and Scholarship

Award Information

Baylor University George W. Truett Theological Seminary offers a comprehensive financial aid program, inclusive of scholarships, educational loans, and part-time on-campus employment. Scholarships, loans, and on-campus employment are administered through the Baylor Student Financial Aid Office. Visit the website at www.baylor.edu for more information.

Truett Tuition Assistance

Affordability is central to Truett’s mission. Numerous donors and Baptist organizations partner with Truett Seminary to financially commit to helping students achieve their goals of an excellent seminary education.

Truett Scholarships are approved and awarded to an applicant following admission (accepted and deposit submitted), based on the scholarship program and requirements for a given degree that academic year. This basis remains in effect throughout the program (M.Div. 87 attempted hours, M.A.C.M. 60 attempted hours, M.T.S. 48 attempted hours) for students who remain in good standing and meet appropriate requirements within the Truett scholarship. Requirements provide that 1) all students file a Ministerial Vocation Update and 2) Baptist students file an annual church certification renewal form by March 1 prior to the upcoming academic year. This date is also a benchmark for all incoming summer and fall students to file their initial Church Certification form from their home church as it allows for all financial processes to be completed before bills are processed and due.

The Office of Scholarship Services at Truett Seminary is responsible for ensuring that appropriate scholarships cease at the 87-hour benchmark, including transfer hours. In order to be aware of their scholarship status benchmarks, all students should confirm attempted, transferred, and earned hours from online resources following receipt of grades each semester.

Prerequisite courses within concentrations with one or more credit hours will be assessed seminary tuition rate, yet are not awarded Truett scholarship funds. It is suggested that students plan for additional costs and contact Scholarship Services following registration and prior to billing by the University (see page 34).

As a reminder: the Administrative Committee of Truett Seminary reserves the right at any time to review, reduce, increase, or rescind student scholarships given by Baylor University, the Baptist General Convention of Texas, the Cooperative Baptist Fellowship or any endowed scholarship given for the benefit of Baylor University or Truett Seminary. There may be occasions in which students receiving endowed funds will be expected to correspond with donors.

Baptist Church Matching Gift Program

Baylor University will match on a dollar-for-dollar basis, not to exceed $1,000 in an academic year, scholarship funds given to Baptist students from a Baptist church, state Baptist convention or Baptist-affiliated program. Duly authorized Baptist church leaders must certify a statement for each
check in order to request matching funds. This statement is located at www.baylor.edu/sfs. Checks and statements must be received by the Cashier’s Office in order for matching funds to be applied. Matching funds are available for fall and spring semesters for full-time students in good standing. Matching funds are not available for the summer term.

Completed statements and checks should be mailed to:

Cashier’s Office
One Bear Place #97048

Ministerial Financial Assistance Program
All Baptist students attending Truett Seminary are eligible for financial assistance from the BGCT. Below is a detailed description of the Ministerial Financial Assistance Program.

Truett Seminary Policy and Procedures Regarding BGCT Ministerial Financial Assistance
A prospective student to Truett Seminary must submit a Church Certification Form upon initial application to receive financial assistance from the BGCT in his or her first year.

In order to receive consideration for continued assistance in the Ministerial Financial Assistance Program, it is necessary for Baptist students to submit a completed Church Certification Renewal Form by March 1st to the Office of Scholarship Services at Truett Seminary. Upon approval, this form will allow a student to receive MFA assistance for the upcoming academic year. Forms are available online to enrolled students on the Truett website. Failure to submit the Church Certification Renewal Form within the deadline will constitute a forfeiture of assistance. Renewal forms received after the deadline will be considered for subsequent semesters within the remainder of the appropriate academic year.

Student and Faculty Awards
The Truett faculty present the following student awards at the end of every semester:
Ruth Ann Foster Outstanding Graduate
A.J. “Chip” Conyers Outstanding Graduate
William Charles Treadwell, Jr., Award of Excellence in Christian Education
Robert Jackson Robinson Outstanding Preaching Student Award
Zondervan Publishing House Annual Student Award for Outstanding Achievement in the Study of Biblical Greek
Zondervan Publishing House Annual Student Award for Outstanding Achievement in the Study of Biblical Hebrew
Zondervan Publishing House Annual Student Award for Outstanding Achievement in the Study of Theology

Registration and Enrollment
New or Reentering Students
All new students must receive advisement for course scheduling prior to registration. New students must schedule an appointment for academic advisement in the Office of Student Services. New and reentering students register online. All first-year students will register for the courses and sections designated by the Seminary, except upon special approval of the student’s advisor.

Returning Students
Students in their second semester and beyond will be assigned to a faculty advisor. Students may complete registration during the early registration period prior to the beginning of the next semester. Registration information is located on Baylor’s homepage at www.baylor.edu under “Current Students,” then “Registration,” then “Registering for Classes.”

Financial Settlement
Each semester billing notification is sent to the student’s Baylor email. Each student is responsible for the timely completion of his or her financial settlement.
Financial settlement is **not** complete until the student confirms his or her registration or confirms his or her attendance online and acceptable payment arrangements are made. Schedules of students failing to do so will be cancelled.

Please visit the Cashiers Office website for full details on financial settlement at [www.baylor.edu/sfs/financial-settlement](http://www.baylor.edu/sfs/financial-settlement).

**Enrollment Classifications**

**Degree Seeking** (both full and provisional acceptance): Any student admitted to Truett for the pursuit of a Seminary degree.

**Non-Degree Seeking** (Special, Transient, Audit, or For-Credit, not degree-seeking): Any individual who has applied to Truett Seminary (as evidenced by the receipt of a completed official application form and transcripts), but who has not yet satisfied all admission requirements. Approval can be extended to register for up to, but not more than, 12 Seminary credit hours. No exceptions can be made to the conditions of “Special.” If, at the completion of 12 Seminary credit hours, all of the requirements for admission have not been satisfied, the individual will not be allowed to register for additional classes.

**Courses in the University**

Any student who takes courses in the University and who is not in an approved concentration or joint degree program must have an advisement slip signed by the Associate Dean for Academic Affairs.

**Course Audit Policy**

Regular or special students enrolled in the Seminary, graduates of other accredited seminaries, or Baylor University students may audit courses in the Seminary curriculum (on a space-available basis) with the permission of the instructor and the Office of the Associate Dean for Academic Affairs. However, courses to be taken for credit by degree-seeking students may not be taken on an audit basis. Classroom participation requirements will be determined by the instructor. The fee for auditing a course will be $339 whether full-time or part-time. Prospective students may observe classes on terms arranged by the Office of Student Services in consultation with the instructor.

**Commencement Services**

The Seminary has a commencement service each May, August, and December for students graduating during the year. In anticipation of participation in the commencement services, students should file for graduation with Director of Academic Services by the last class day of the semester prior to their anticipated graduation date in which the degree is expected to be conferred. Ample time must be allowed for the processing of diplomas. Students who file late will not be guaranteed a diploma at Commencement.

All M.Div., M.T.S., and M.A.C.M. students should purchase their caps and gowns from the Baylor Bookstore. D.Min. and Ph.D. students should contact the Baylor Graduate School concerning rental or purchase of gown, hood, and tam.

---

**Financial Information**

The expenses of educating Baylor University students are controlled as much as possible while responding to demands for effective operations, consideration for the general welfare of students, and continued support of the quality of the educational experience.

Most seminary students receive scholarship assistance. In addition, students may apply for loans and the Federal Work-Study Program through the Student Financial Aid Office.

Due to continually increasing operating costs, Baylor University reserves the right to change tuition, fees, deposits, and room and meal rates without notice to prospective students.

Seminary tuition and fee rates are applicable to students solely within a seminary degree program or within seminary joint programs (MDiv/MSW, MTS/MSW, MDiv/MM, MDiv/MBA, MDiv/JD, MDiv/MSED). If a student is concurrently enrolled within two degree programs at Baylor University involving a seminary degree program and an undergraduate or graduate degree program then that student’s primary status is designated as undergraduate or graduate and tuition and fee rates specific to undergraduate or graduate status will be changed across all coursework. For example, if a student is within their final semester of an undergraduate program at Baylor University and is admitted to seminary and takes a seminary course, undergraduate tuition and fees will be charged across all coursework to include the seminary course for that particular semester. Additionally, if the student were eligible to receive a seminary scholarship, that award would be restricted to coursework applicable toward the degree and the seminary tuition rate. Once the student’s undergraduate degree is conferred and their primary status becomes seminary, seminary tuition and fee rates would then be applicable.

### Payment of Accounts
A student’s registration for a semester is not finalized (financially settled) until all expenses are paid or acceptable payment arrangements are made and the student has confirmed his/her
intent to attend for the term billed. The complete Payment of Accounts policy can be found at www.baylor.edu/student_policies/financial.

For additional information about financial settlement, please visit www.baylor.edu/sfs/financialsettlement.

Students who are recipients of scholarships from religious institutions, foundations, corporations, individuals, or other organizations outside the University should complete the online Outside Scholarship Report Form at www1.baylor.edu/OSRF for each outside scholarship so that the award can be reflected in the student’s financial aid award package. Organizations should send scholarship checks to the Cashier’s Office, One Bear Place #97048, Waco, TX 76798-7048. For questions about outside scholarships, contact Outside_Awards@baylor.edu.

If you have questions about tuition, fees, or financial settlement that are not covered here, visit the Student Financial Services website at www.baylor.edu/sfs, email Cashier’s Office at Cashiers_Office@baylor.edu or call (254) 710-2311.

Financial Obligations

Students are individually responsible for their financial obligations to Baylor University. Charges to the student account are payable when due. Upon graduation or University Withdrawal, unpaid student account balances are subject to referral to a collection agency and disclosure to credit bureaus.

Change in Degree Program Fee

A change in the student’s degree program (MDiv to MTS) could result in a fee to the student account of $2,500 (13-24 earned hours) or $5,000 (25+ hours). This may also affect his/her scholarship award. Please discuss with Assistant Dean of Student Services prior to filing a petition.

Cancellations, Drops, and University Withdrawals

Fall and Spring Semesters

Most of the information in this section refers specifically to fall and spring semesters. For dates, deadlines, and other pertinent details regarding Minimester or Summer Sessions, please see the “Academic Calendar” section for the respective dates.

This section provides information about Cancellations, Drops, and University Withdrawals. Definitions of the terms include:

- Cancellation—Dropping all classes prior to the first class day or prior to financial settlement, cannot occur once the first class day is reached for a semester.
- Drop—Removing a class(es) from a student’s schedule through the 50th class day. (This term does not apply when a student discontinues all classes during the semester.) Depending on the timing of this action, the outcome will either be that the class is removed from the student’s transcript record or that it results in a “W” (Withdrawal) notation for the class on the transcript (see “Academic Calendar” for deadlines). A student cannot drop a class after the 50th class day during a fall/spring semester.
- University Withdrawal—Officially discontinuing all classes for which a student is registered on or after the first class day (through the 50th class day). Beginning the 1st class day of each semester, a student will not be able to withdraw from their complete class schedule online. A student cannot withdraw from the university after the 50th class day during a fall/spring semester.

Cancellations

Cancellation occurs when a student decides not to attend classes for a semester prior to the first class day for that semester. (A student’s schedule cannot be cancelled on or after the first day of the semester.)

Academic Effects—Cancelled classes do not appear on the official academic transcript.

Financial Effects—Cancellations and related refund requests must be made in writing, addressed to the Cashier’s Office, One Bear Place #97048, Waco, TX 76798-7048 or by email to Cashiers_Office@baylor.edu received prior to the first class day for the semester. For cancellations, all tuition, fees, and meal plans will be refunded at 100 percent. Dropping Classes by Student

A student has the option to drop a class prior to or during a semester. Prior to dropping a class, a student should review “Before you Drop A Course” www.baylor.edu/b4udrop.

Academic Effects

- Through the 12th class day, drops can be processed in BearWeb. Beginning on day 13, the student must submit an Add/Drop form to the Office of the Registrar.
- A drop prior to the end of the 12th class day of the fall or spring semester results in the course being removed from the official academic transcript.
- After the 12th and through the 50th class day, a drop in one or more classes requires a professional advisor signature and results in a “W” notation on the official academic transcript. There are no drops after the 50th class day during the fall/spring semester.
- Failure to drop a class will result in the instructor posting the grade the student has earned (i.e., an “F”).
- Prior to dropping a class, a student is expected to attend class regularly.

Financial Effects

- Beginning with the 13th class day for fall and spring terms (see academic calendar for summer), a Change of Course fee will be assessed for all schedule changes.
- Refunds for dropped classes (tuition and lab/course fees) during the fall and spring terms include the following timeline:

*An extensive refund schedule for all semesters can be found at www.baylor.edu/sfs/droprefunds.

These drop dates are for the fall and spring semesters. For the deadline to drop a summer class, please consult with the Registrar’s office.

To determine how a refund is calculated, multiply the number of hours the student will drop by the applicable percentage rate above based on the day of the drop. This calculation will determine the number of hours to subtract from the number of enrolled hours. The student is financially liable for the remaining enrolled hours plus the determined percentage of dropped hours.

For example, if a student enrolled in 14 hours drops a 3 hour course prior to the 15th class day, multiply the 3 dropped hours by 50% (1.5 hours), subtract the 1.5 hours from the original 14 hours, and the student is left with 12.5 billable hours.

Changes in the number of enrolled hours can affect financial aid eligibility. A student should contact the Financial Aid Office for information about how dropping a class might affect his or her financial aid award package.

University Withdrawal

A University Withdrawal occurs on or after the first class and following financial settlement. To withdraw officially from the University and request appropriate refunds, a student must submit a Withdrawal Form and complete an exit interview with a designated representative from the Academic Support Programs Office in the Paul L. Foster Success Center.

Upon confirmation by a student’s instructors of persistent non-attendance, the University reserves the right to withdraw the student for that term with an effective date matching the last known date that the student attended class.

Academic Effects

- The University Withdrawal effective date is established by the date on which a student submits the mandatory University Withdrawal Form (or contacts designated staff in Academic Support Programs.)
- Contact with Academic Support Programs can be initiated in person (west basement of Sid Richardson during regular business hours), by telephone (254-710-8696), or by emailing academic_support@baylor.edu.
- When a student withdraws from the University, the assigned “W” is based upon the effec-
tive date of the University Withdrawal. Please see the “Academic Calendar” section for the respective dates.

• The required University Withdrawal Form and additional information is available online at www.baylor.edu/successcenter/universitywithdrawal.

• Any other procedure will lead to failure in all classes for which the student is registered. Under no circumstances does notification to instructors or dropping classes constitute an official University Withdrawal.

Financial Effects

• If the student fails to contact Academic Support Programs and simply stops attending, then the following policies apply:
  • Tuition, fees, meal plans and other applicable charges will not be adjusted on the student’s account.
  • Financial aid credits, however, may be reversed as required by federal regulations.

• Refunds of tuition, fees, or other charges are applied to any outstanding balance owed to the University.

• Any credit balance remaining after all processing is complete will be sent by direct deposit (if bank account is designated in BearWeb) or mailed to the student at his/her home address listed in BearWeb.

• Refunds of tuition and required fees (General Student Fee, Laboratory/Course Fees, Administrative Fee and Applied Music Fee) are based on the effective University Withdrawal date and are prorated on a per diem scale based on the total number of calendar days in that payment period.

• There are no refunds for University Withdrawals that occur after 60 percent of the payment period has passed. A payment period is defined as the total number of calendar days in the semester (from the published first class day through the published last day of finals) excluding the five-calendar day Thanksgiving break and the nine-calendar day spring break.

• To obtain a calendar schedule of refund percentages, please visit the Student Financial Services website www.baylor.edu/sfs or contact the Cashier’s Office at Cashiers_Office@baylor.edu or 254-710-2311.

• Unless specifically noted, other fees are considered non-refundable.

• Unused Dining Dollars are refunded upon University Withdrawal.

• Meal plan refunds are calculated pro rata based on the University Withdrawal effective date. An administrative charge equal to one week of the meal charge for the student’s respective meal plan will be assessed.

• A student receiving scholarships or other financial aid should contact a financial aid counselor to discuss the financial implications of a University Withdrawal.

• Financial aid recipients are not eligible for a refund until all of the financial aid programs are reimbursed in accordance with federal, state, and University requirements. To obtain information about the return of financial aid funds, contact the Student Financial Aid office at FinancialAid@baylor.edu or 254-710-2611. Additional contact information is available online at www.baylor.edu/sfs.

Dropping an Audited Class

A student who drops an audited course by the fifth (5th) class day (fall/spring) is eligible for a full refund. No refund for an audited class is given after the fifth (5th) class day. Full refunds also apply to a student who drops an audited class by the third (3rd) class day for the full summer session, by the second (2nd) class day for summer I and II, and by the first (1st) class day for the Minimester. No refunds are given after the designated class drop date.

Right to Withhold Transcripts and/or Block Registration

Baylor University may withhold the issuance of a transcript record and/or block the registration of any current or prior student if the student has certain outstanding obligations to the University.

Please see www.baylor.edu/student_policies/financial for the transcript and registration hold policy.
Academic Regulations

Course Load
Most master’s seminary students will typically enroll for a full-time course load. A student taking a course load of nine semester hours is considered a full-time seminary student. Students intending to take an excess of 18 hours during the fall or spring semesters or 12 hours during the summer semester must seek approval from the Office of the Dean or their faculty advisor.

Students are urged to consider the demands of the rigorous graduate theological education program of Truett Seminary when planning academic schedules combined with off-campus employment and ministry obligations. Students who are serving in vocational ministry positions, working full-time, or commuting for more than one hour should consult with their faculty advisor when selecting courses.

Time Limit
In order to fulfill the broad educational and formational goals of the M.Div., an M.Div. program shall require a minimum of three academic years of full-time work or its equivalent. All course credits applied toward degree requirements should be earned within 10 years of the awarding of the degree.

Course Numbering System
Baylor course numbers consist of an alpha prefix followed by a four-digit course number. The level is specified by the first digit; “7” indicates a seminary course. The second digit specifies the number of semester hours of credit assigned to the course. The letter “V” is used as the second digit for courses that may be taken for a varying amount of credit.

Attendance Policy
Students are required to attend all classes in the student’s schedule. Under no circumstances will credit be given for courses in which the student is absent more than the maximum number of allowable absences for the class. Unless a smaller number of classes is designated by the professor, the “maximum number of allowable absences” shall be 25 percent of the total number of class meetings. A student having absences for more than the maximum number of allowable absences will receive an “F” (or a “W” if the student drops the course prior to the last date to drop a course). Excessive tardiness will be dealt with by the individual professor.

Class absences are one of the early signs that a student may be experiencing academic, personal, or emotional challenges or distress. Resources in the Paul L. Foster Success Center (PLFSC) and Counseling Center are available for students who are experiencing difficulties related to class attendance.

For additional assistance, students may contact the Office of the Academic Dean.

Students Called for Active Military Duty
An enrolled student who withdraws as a result of being called into active military duty (reserves or National Guard) may choose to:

1. receive a refund of tuition and fees paid toward the current term, or
2. be given full credit of tuition and fees paid toward the current term to apply toward a future term’s chargers for enrollment, or
3. if late enough in the term, request an “incomplete” so that the remainder of the work could be completed at a later date and receive no refund or credit of tuition and fees.

If the student has met the academic requirements for the term, a grade will be assigned and no tuition refund or credit will be granted.

Board charges are refunded on a pro rata basis on the date of the student’s withdrawal. Room charges are refunded on a pro rata basis based on the date a student officially vacates on-campus housing.

Students having federal/state financial aid will be withdrawn according to the published withdrawal policy. Any refund or credit for a student being called into active military duty who has such financial aid will be considered on a case-by-case basis.
Grading System

The method and manner of evaluation at the seminary is left to the discretion of the course instructor as outlined in the course syllabus. A student may take an examination at a time other than the scheduled time only under extenuating circumstances and with permission from the instructor. The following criteria are used at Truett Seminary in assigning letter grades:

I  Incomplete; usually because of excused absence from the final examination or permission for extension of time to submit a report or term paper. The "I" must be removed by the last day of class the next semester (summer terms included); if the course is not completed by this time, the "I" will automatically be changed to the grade of "F." Once an "I" changes to an "F," the "F" becomes the permanent grade. An "I" is not included in hours earned or grade point average until it expires or becomes a grade.

IP  Used for courses in which the specified time for completing an incomplete has expired but for which the instructor has submitted an extension of time request.

W  Withdrawal

P  Pass; used for courses graded on a pass-fail basis. If a grade of “A”, “B”, or “C” is earned, the grade will be recorded as “P.” Semester hours are earned, but no grade points.

FA  Fail; used for courses graded on a pass-fail basis. If a grade of “D” or “F” is earned, the grade will be recorded as “FA.” This does not count in the grade point average.

CR  Satisfactory completion of courses graded on a credit/non-credit basis; semester hours are earned, where appropriate, but no grade points.

NC  Unsatisfactory completion of courses graded on a credit/non-credit basis; neither semester hours nor grade points are earned.

AU  No academic credit earned; for courses registered on an audit basis.

Grade Change Policy

Changes of grades may be initiated by the instructor of the class and must be approved by the Associate Dean for Academic Affairs. Changes to grades may only be initiated by an instructor when the original grade resulted from an error or when the original grade was an Incomplete. Changes resulting from an error may only be made within one calendar year of the original date that the grade was due and may not occur once a degree to which the course was applied has been conferred. Further, changes to Incomplete grades may only be made in compliance with George W. Truett Theological Seminary policies on Incompletes. Beyond changes to grades for those reasons, changes may occur when initiated by the Executive Vice President and Provost based on the finding of a violation of academic integrity or when a grade is successfully appealed through George W. Truett Theological Seminary’s Academic Appeals Policy and Procedure (pg. 40); the one-year time limit does not apply to these changes.
Course Repetition
Courses taken at Truett Seminary for which the grade earned is an “F” must be repeated at Truett and must be repeated prior to taking any course for which the first course is a prerequisite. The course cannot be repeated at another seminary for transfer to Baylor or for use as degree credit. Although all occurrences of a student’s course work will appear on the academic transcript, the grade received the last time the course is taken is the only grade that is calculated in the cumulative grade point average. Grade point status can be modified only by work done in residence at Baylor.

Courses in which the grade earned is a “D” may be repeated in an effort to raise the student’s cumulative grade point average to a 2.000, the minimum required to graduate. Any classes repeated will move a student beyond the benchmark of 87 attempted hours and could adversely affect a student’s financial aid.

Students are required to submit a registration petition form to obtain permission to repeat a class for credit.

Courses taken at Baylor for which the grade is “B” cannot be repeated.

Transcripts
To obtain an official academic transcript, students must make a written request with the Office of the Registrar for the University, which is located in Robinson Tower.

Transfer Credit
Any student who has taken courses at an accredited seminary (or approved university graduate program) may apply to receive transfer credit.

Transferred hours may not exceed 30 hours for the MDiv, 21 hours for the MACM, and 15 hours for the MTS. Students who have taken courses in another program but NOT completed another degree may submit transfer hours for consideration to complete up to one-third of the required Truett program hours. If a student completes another graduate degree at an accredited seminary (or approved university), not more than half of the credits required for another graduate degree can be transferred.

In all cases, grades earned on transfer hours are not included in the calculation of a student’s grade point average. Only courses taken at accredited institutions are transferable, but the courses must have been taken within the past six years. No grade lower than a “B” or its equivalent will be transferred from another institution.

All decisions regarding transfer credit are made at the discretion of the Academic Dean.

Courses taken in residence at Baylor University’s Truett Seminary may not be repeated at another institution for degree credit. Also, students who are on academic suspension are not eligible to take courses elsewhere for transfer to the seminary.

Once transfer credit has gone through in place of a required class on a student’s degree plan, that student may not take that class again for credit at Truett.

Truett Seminary adheres to The Association of Theological Schools’ standards on Advanced Standing.

Students who are interested in receiving transfer credit should contact Jo Ann Sharkey Reinowski in the Office of Academic Services (JoAnn_Reinowski@baylor.edu) to apply. An official transcript is required for an application.

Advanced Standing
Students may be granted advanced standing without credit and be exempted from the introductory courses if they have been religion majors in college and have already covered the introductory material. Students should submit their request for advanced standing online prior to their first semester and must substitute other courses (electives) for these required hours to complete their degree.

Students may be granted advanced standing with credit for the introductory courses, reducing the number of required hours to complete the degree, if they pass the appropriate written exam that demonstrates their knowledge, competency, and skills in that area of study. Baylor University charges a fee for the administration and grading of each exam for credit.

Students who have proficiency in Greek and/or Hebrew may skip the introductory courses in Greek and/or Hebrew, but must pass a three-hour course in Greek Readings and/or Hebrew Readings with at least a “B” to reduce hours to complete their degree.
Independent Study
A student may request to take an Independent Study in extraordinary situations. Application for Independent Study is to be made by the student per the Independent Study Request Form and submitted to the Associate Dean for Academic Affairs for approval.

Academic Probation/Dismissal

Probation and Academic Failure Policy

Probation
A student encounters probation in two ways.
First, he/she may be admitted under probation (provisional acceptance) because of the following factors:
1. The student does not hold a bachelor’s degree from an accredited university.
2. The student’s undergraduate GPA was under the standard 2.7 recommended for admission to Truett.
3. The student is an international student living in the United States who has not yet taken the TOEFL exam because of special circumstances.

To remove the academic probation upon acceptance and receive full admission status, a student must produce a 2.00 GPA during the first semester (9 hours minimum). Part-time status must be approved by the Associate Dean.

Second, a student is considered failing and will automatically be placed on academic probation if his or her cumulative GPA drops below 2.00.

Academic Failure
If a student has two consecutive semesters in which his or her cumulative GPA is below 2.00, that student is considered as failing and will not be allowed to register for further class work at Truett.

Procedures of Probation and Failure
A student will be notified upon acceptance concerning whether he or she is accepted on probation. It will be up to the student to secure clearance by initiating a meeting within the Office of Student Services after the 9 hour compliance minimum to apply for full admission.

A student who fails to maintain a minimum grade point average will be notified. After a semester of below minimum work, the student will be notified by mail concerning this change in his/her status. An appointment with the Associate Dean for Academic Affairs will be scheduled at the initiative of the student. If the student continues to fall below a minimum grade point average after the subsequent semester, the student will be notified by mail and will no longer be allowed to register for classes. It will be the student’s responsibility to arrange for a hearing with the Dean of the seminary to appeal for reinstatement.

Reasonable Progress
Each student must make reasonable progress toward satisfying the requirements for graduation. To remain in good standing, a student must maintain a cumulative grade point average of 2.00 or higher.

Sequence of Courses
Students should seek recommendations from the Director of Academic Services concerning the suggested sequence of all courses including the academic concentration and biblical language courses. If a student does not complete degree requirements within six years, the student then comes under the current catalog, which may entail changes in the requirements to graduate.

General University Policies

Academic Appeals Policy and Procedure
The George W. Truett Theological Seminary seeks to protect students’ rights and provide them relief from unfair criticism and treatment in a course for which they are enrolled. Issues related to the violation of students’ rights may include, but are not limited to, matters involving grades, class assignments, mentoring, and alleged violations of professional behavior. If the matter involves an alleged violation of the University Honor Code, it will be handled through the processes identified under the Baylor University Honor Code.
The procedures listed below provide the appropriate avenue for students seeking to register a formal complaint.

1. Conference with Faculty Member. Any student who believes a faculty member of Truett Seminary has treated him or her unfairly with respect to a course for which the student was registered may complain of such alleged unfair treatment. The student should set forth his or her complaint in a written statement that details the circumstances giving rise to the complaint. The student shall give a copy of the statement to the faculty member and attempt to discuss and resolve the matter with the faculty member.

2. Appeal to Associate Dean of Academic Affairs. If the situation is not resolved to the student’s satisfaction, the student may appeal to the Associate Dean. A written statement that details the circumstances giving rise to the complaint and a narrative of the effort to resolve the situation with the faculty member must be provided to the Associate Dean in advance of the meeting. The faculty member will also provide the Associate Dean with a written description of her or his view of the situation including efforts to resolve the issue. The Associate Dean, in consultation with members from the Academic Planning and Policy committee, will review both documents and then render a decision. If the faculty member involved in the complaint is the Associate Dean, the student may appeal directly to the Dean of the School. If the faculty member involved is the Dean, the student may appeal directly to the Office of the Executive Vice President and Provost of the University.

3. Appeal to the Dean of the School. If the situation is not resolved to the student’s satisfaction, he or she may appeal to the Dean of the Seminary. The student must provide the Dean with a written statement that details the circumstances giving rise to the complaint and a narrative of efforts to resolve the conflict at the faculty and Associate Dean level. The faculty member and Associate Dean will also provide the Dean with a written description of their views of the situation, including efforts to resolve the issue.

4. Appeal to the Office of the Executive Vice President and Provost. If the complaint is not satisfactorily resolved by the Dean of the Seminary, then the student shall have the right to appeal the matter to the Office of the Executive Vice President and Provost, who after review may refer the matter to the University Academic Appeals Committee.

5. Appeal to the University Academic Appeals Committee. The function of the University Academic Appeals Committee is to hear student complaints of alleged unfair treatment by members of the faculty. The committee shall receive complaints only by referral from the Office of the Executive Vice President and Provost and shall not otherwise receive or hear complaints.

   a. Composition and Appointment of the Committee. The Academic Appeals Committee is appointed by the president of the university and consists of eleven members (nine faculty members and two students).

   b. Hearing Before an Academic Appeals Committee Hearing Panel. The chair of the academic appeals committee shall select a hearing panel consisting of five members (three faculty members and two students) from members of the larger committee to hear the complaint. The hearings panel shall arrange a conference between the parties involved and attempt to arbitrate the matter. At least three members of the panel (two faculty members and one student) shall participate in any meeting with the parties involved. The meeting shall be informal and private and conducted for the purpose of resolving the matter to the agreement of both parties.

   c. Appeals Committee Recommendation. If such a resolution agreeable to both parties is not reached, then the hearing panel shall make a recommendation concerning the disposition of the appeal to the Office of the Executive Vice President and Provost.

Copies of all written materials pertaining to the filed complaint will be kept in the Office of the Associate Dean for Academic Affairs.

**Honor Code**

The Student Honor Code of the Seminary is administered by the Honor Council. A student accused of an honor code violation is entitled to a procedure in accordance with the Honor Code rules. The Honor Code is found online in the Student Policies and Procedures.

**Student Records**

The provisions of the “Family Educational Rights and Privacy Act of 1979 (FERPA)” are designed to protect the privacy of educational records and to establish the rights of students to review their
educational records. Further information on FERPA and its implementation at Baylor University may be found online in the Student Policies and Procedures.

**Student Responsibility**

Occasionally, policies and specific rules related to the administration of the Seminary, such as registration, changing courses, or graduation requirements, will be posted on the bulletin boards in the seminary facility and all students are charged with notice of them.

**General Expectations of Baylor Students**

Baylor University is controlled by a predominantly Baptist Board of Regents and is operated within the Christian-oriented aims and ideals of Baptists. The University is affiliated with the Baptist General Convention of Texas, a cooperative association of autonomous Texas Baptist churches. We expect that each Baylor student will conduct himself or herself in accordance with Christian principles as commonly perceived by Texas Baptists. Personal misconduct either on or off the campus by anyone connected with Baylor detracts from the Christian witness Baylor strives to present to the world and hinders full accomplishment of the mission of the University.

While attending Baylor, a student is expected to obey the laws of the United States, the State of Texas, and municipalities, or, if studying abroad, the laws of other countries. A student is also expected to obey the rules, regulations, and policies established by Baylor University. “Attending” is defined as all persons taking courses at the University, either full-time or part-time, pursuing undergraduate, graduate, or professional studies. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the University or who have been notified of their acceptance for admission are considered to be “attending” the University.

Each student is responsible for learning about and adhering to the Baylor University Student Code of Conduct. The Division of Student Life attempts to ensure that the student code of conduct is communicated to all students through various means. However, the student is responsible to the University for his or her conduct that violates University policies. Moreover, should a student witness a violation of University policies on the part of other students, the student is responsible for reporting that violation to the appropriate University official.

**Change of Address and Telephone Number**

It is frequently a matter of great importance to students for University officials to be able to locate them quickly. For this reason, students are asked to file a notice of change of student local or student home address and telephone number with the University promptly, and not later than ten days thereafter in any case. Address changes may be made through BearWeb. For assistance, contact the Office of the Registrar at registrar@baylor.edu or (254) 710-1181. Failure to receive University notices because of an incorrect address provided by the student will not relieve the student of responsibility for responding to the notice.

**Campus Safety**

Baylor considers personal safety on campus a top priority. Residence halls enforce a locked door policy and residents must swipe their student IDs at main entrances to show residential status and gain access to their building.

The Baylor Police Department provides additional 24-hour security with car and bike patrols and works in close alliance with the Waco Police Department to create a safe environment for the university community. Seventy-five emergency call boxes are located on campus with direct access to BPD, which has a staff of thirty-five, including twenty-three commissioned police officers.

Safety and Security Education Officers (SSEOs) work closely with BPD and after-hour personnel to ensure the safety and security of our residential communities. SSEOs are on duty between the hours of 11 p.m. to 7 a.m. These full-time Campus Living & Learning staff members move freely in and around residential communities and escort students as needed, confront and report unacceptable behavior, check that all exit doors are secure, and alert Baylor police about suspicious behavior.

Baylor’s Crime Prevention and Security Report is provided annually to all students and is available at http://www.baylor.edu/baylor-police.

**Title IX**

If you or someone you know would like help related to an experience or sexual violence including sexual assault, harassment, domestic violence, dating violence, stalking or other type of non-consensual sexual conduct, please contact Laura Johnson, Title IX Coordinator at Baylor University, by email (Laura_S_Johnson@baylor.edu) or phone (254-710-8454).
Anonymous reporting for students or third parties is also available on the Title IX website, www.baylor.edu/titleIX.

The Title IX office understands the sensitive nature of these situations and can provide information about available on- and off-campus resources, such as counseling and psychological services, medical treatment, academic support, university housing and other forms of assistance. We will also explain your rights and the judicial process options, if you choose to file a complaint with the University. You will not be required to share your experience, and the Title IX Office will keep any information private. The Title IX Office exists to support and empower students, while allowing them to remain in control. If you or someone you know feels unsafe or may be in imminent danger, please call the Baylor Police Department (254-710-2222) or Waco Police Department (9-1-1) immediately.

Civil Rights Policy and Procedures for Students

Baylor University (“Baylor” or “University”) is committed to maintaining an environment in which all students are treated with respect and dignity, equal opportunities are promoted, and discriminatory practices, including unlawful discrimination, are prohibited. Baylor does not tolerate harassment or unlawful discrimination against students because of age (over 40), color, disability, genetic information, national origin, pregnancy, race, religion, sex, veteran status, or any other characteristic protected under applicable federal, Texas, or local law (collectively “Protected Characteristics’). Baylor also prohibits retaliation against any student who engages in Protected Activity.

The following person has been designated to handle inquiries regarding the nondiscrimination policies for students and to coordinate the University’s response to claims of discrimination on the basis of Protected Characteristics made by applicants or students:

Truett Ethical Conduct Policies

As part of its mission and its academic program, Truett Seminary is entitled to prescribe appropriate standards of conduct in addition to, and independent of, those prescribed by the University. Accordingly, Seminary students are expected to conduct themselves in an ethical and moral manner becoming of a minister as that role has been historically understood within Baptist tradition.

The Seminary reserves the right to place a student on probation from the Seminary, to suspend or expel a student from the Seminary, to withhold a degree from the student, or to take other action appropriate for the Seminary (including the revocation of denominational tuition funding or scholarships), if the conduct of the student prevents, or will prevent, acceptable representation of Truett Seminary in light of the standards of Baptist tradition, Truett Seminary or Baylor University.

Seminary students, as students enrolled in Baylor University, are subject also to general University regulations, including, but not limited to, the Student Disciplinary Policy, Honor Code, Academic Probation, Policy for Information Systems Usage, Home Web Page Policies, Electronic Mail List Policies, Policy Statement on Alcohol or Other Drugs, Policy on Sexual Misconduct, and the Policy on Sexual Harassment. No student may be admitted to or retained in the Seminary who is excluded for disciplinary or other reasons from the University.

General Information

1. Truett Seminary is a Christian institution whose primary purpose is to train men and women for ministry and theological education.

2. Students who have given evidence of a divine call, have been certified by a local church to prepare for the Christian ministry, and seek entrance into this institution shall conduct themselves in a manner deemed by the seminary as conduct becoming of a Baptist minister as it has been historically understood. Non-Baptist students are held to this level of conduct as well.
3. Students who commit any form of academic misconduct, which includes but is not limited to plagiarism or cheating, will be subject to the Baylor University Honor Code. Incidents will be reported to the Office of Academic Integrity and students will be sanctioned in accordance with the Honor Code. The process for student appeal is outlined in the Honor Code.

4. The Seminary may take disciplinary action as it deems necessary should the standard of personal and ethical conduct be violated. Violation of this standard shall include, but is not limited to:
   a. Academic misconduct including, but not limited to, plagiarism or cheating;
   b. Public or private alcohol intoxication;
   c. Use of illegal drugs;
   d. Abuse of any drugs;
   e. Heterosexual misconduct or homosexual behavior;
   f. Sexual harassment;
   g. Involvement with pornography;
   h. Giving false statements to the seminary orally or in writing including, but not limited to, one’s application for admission or registration or altering records;
   i. Financial malfeasance;
   j. Fighting; abusive or vulgar language;
   k. Theft of seminary or personal property;

2. The Seminary Ethical Conduct Committee, comprised of the Associate Dean of Academic Affairs, the Assistant Dean for Student Services, two faculty representatives, and an ex officio, Baylor general counsel, shall administer this Seminary policy.

3. The Committee will exercise Christian concern in its dealings with students, and its actions will be intended to be occasions for learning, personal growth, and professional development. The welfare of the student, of the seminary community, and of the churches are its primary concerns (Gal. 6:1-2). The Committee, or any member thereof, shall provide written notice of the allegations, and of supporting information, to the student of a violation of the requirements of Ethical Conduct. The Committee shall provide the student an opportunity to be heard in person and in writing.

It will be the Dean’s decision to overturn or support the decision of the committee. Upon a review of the decision of the Ethical Conduct Committee, the Dean will render a final decision from which there will be no further review or appeal.
Style Guide for Seminary Community

In preparing papers, reviews, and other written materials, students are required to follow the style guide developed by the Society of Biblical Literature (The SBL Handbook of Style. 2nd edition. Atlanta, Georgia: SBL Press, 2014). Students may access a truncated version on-line at http://www.sbl-site.org/assets/pdfs/pubs/SBLH5supp2015-02.pdf. This style guide provides the necessary information related to formatting a paper and also provides helpful examples for proper citation of various sources.

Plagiarism and Academic Dishonesty

According to the Seminary catalog, all Seminary students, as students enrolled in Baylor University, are subject also to general University regulations, including the Honor Code. Plagiarism is listed among the potential academic violations in the Honor Code. Baylor University has defined plagiarism as

“incorporating into one’s work offered for course credit passages taken either word for word or in substance from a work of another, unless the student credits the original author and identifies the original author’s work with quotation marks, footnotes, or another appropriate written explanation.”

Students may claim that they did not meaesto plagiarize or that it was unintentional. Intent, however, cannot be judged in such matters. If you submit a document that plagiarizes another source, then you have committed plagiarism. It is the responsibility of the student to check and recheck sources to ensure that proper citations have been included. If in doubt, consult with your professor about proper procedure.

All students must submit papers, exams, and other written materials to “Turnitin.com.” This computer source will scan your document and determine if there is evidence of plagiarism. This search engine will also provide a citation of the source from which you have taken the the text in question.

Please be advised of the following statement:

“Students agree that by taking this course, all required papers, exams, class projects or other assignments submitted for credit may be submitted to turnitin.com or similar third parties to review and evaluate for originality and intellectual integrity. A description of the services, terms and conditions of use, and privacy policy of turnitin.com is available on its web site: http://www.turnitin.com. Students understand all work submitted to turnitin.com will be added to its database of papers. Students further understand that if the results of such a review support an allegation of academic dishonesty, the course work in question as well as any supporting materials will be submitted to the Honor Council for investigation and further action.”

Consequences of Plagiarism:

Students who have submitted plagiarized work will face the following consequences:

1. The student will be penalized in accordance with the Baylor University Honor Code. Possible sanctions include, but are not limited to, failure/grade penalty on the assignment, rewriting the assignment, failure/grade penalty on the test, and failure/grade penalty in the course.

   The professor is required to report all forms of academic misconduct to the Office of Academic Integrity. All matters of academic dishonesty, including student appeal, will be handled according to the University’s Honor Code.

2. If a student commits plagiarism a second time, then according to the Baylor University Honor Code, the Office of Academic Integrity will refer the student’s file to the Honor Council. The Honor Council will consider additional sanctions for repeat violations. Possible sanctions include, but are not limited to probation, suspension, and expulsion.

Policy on Access and Learning Accommodation

Any student who needs learning accommodation should inform the professor immediately at the beginning of the semester. The student is responsible for obtaining appropriate documentation and information regarding needed accommodations from the Baylor University Office of Access and Learning Accommodation (OALA) and providing it to the professor early in the semester. The OALA phone number is (254) 710-3605 and the office is in the Sid Richardson Building which houses the Paul Foster Success Center.
Master Degrees
Purpose of the Master of Divinity Degree

The Master of Divinity degree at Truett Seminary intends to provide graduate theological education that is centered in the gospel of Jesus Christ and consistent with historic Baptist commitments to prepare persons to carry this gospel to the churches and the world.

Primary Goals of the Program

The George W. Truett Theological Seminary of Baylor University creates a learning environment that shapes scholar-ministers for the Church in the historic orthodox Christian tradition. The Seminary does so in the larger context of a major national research university with a confession rooted in the historic Baptist tradition.

As evidence of the Seminary’s commitment to both its ecclesial and educative contexts, Truett Seminary creates an intentional learning environment that promotes formation, deepens knowledge and embraces praxis. These three areas—being, knowing, and doing—prove equally foundational and absolutely essential for holistic ministerial formation.

Graduates of the George W. Truett Theological Seminary should be:
- Persons with a developing sense of calling and a growing dedication to the mission of God in the world;
- Persons with a deepening commitment to the life of the church;
- Persons who are continually being formed as followers of Christ, committed to integrating the Christian practices into daily life (e.g., worship, prayers, study, service);
- Persons of high ethical standards regarding their relationship and responsibility to self, family, congregation, colleagues, community, and creation.

Graduates of the George W. Truett Theological Seminary should know:
- The narrative of Scripture including the contours of the biblical stories of Israel, Jesus Christ, and the church, as well as the central themes of creation, fall, redemption, mission, and recreation that shape the narrative;
- The Great Tradition (and traditions) of Christian thought;
- Baptist history and doctrine, while developing an appreciation for the wider ecumenical community;
- Appropriate means for articulating the Christian faith in light of the context in which she or he ministers.

Graduates of the George W. Truett Theological Seminary should be able to:
- Demonstrate competency in basic ministry skills, including preaching, leading, administration, and conducting public worship and the ordinances of the church;
- Interpret accurately the Christian Scriptures and apply them effectively to ministry tasks (e.g., preaching, teaching, discipleship);
- Reflect critically and theologically upon the acts and experiences of Christian ministry;
- Lead congregations in spiritual formation and discipleship;
- Practice contextual evangelism;
- Participate effectively in God’s mission locally and globally;
- Exercise skillful care of people in the midst of crises, but more broadly, through all stages of life;
- Relate effectively and authentically as a human to humans in the common concerns of life;
- Demonstrate appropriate self-care.

Learning Outcomes

The M.Div. program at Truett Seminary seeks to achieve holistic student development by equipping students through theological and biblical reflection, spiritual formation, lifelong learning, ministry service, and cross-cultural sensitivity. The curriculum is competency-based and thus strives to produce students who achieve competency in seven basic areas:

*Preaching & Worship*

Students will be able to plan, and lead in, thoughtful and well-crafted worship of God and communicate God’s Word in a clear and understandable manner informed by careful biblical exegesis and attention to the contemporary context.
Christian Scriptures & Theology
Students will be able to draw and reflect upon Scripture and the classical and contemporary literature of the Church to articulate an informed Christian world view for life and ministry.

Leadership & Administration
Students will understand and demonstrate effective, Christian leadership skills for ministry.

Nurture & Cure Of Souls
Students will be able to nurture individuals using an integrated set of pastoral skills and spiritual disciplines.

Lifelong Formation
Students will participate in lifelong learning events outside of classroom responsibilities and will value lifelong learning as a means for discovering resources for ongoing ministry enhancement.

Spiritual Formation
Students will nurture personal and communal spiritual formation as a foundation for a life of ministry.

Evangelism & Global Missions
Students will think critically regarding the worldwide mission of the church, demonstrate skills for leading persons to faith in Jesus Christ through holistic ministries and verbal and lifestyle witness, and understand the need to catalyze congregations for local and international witness.

In the process of achieving competency in these seven basic areas, the M.Div. degree at Truett Seminary also introduces students to historic Baptist theology and commitments as well as a worldwide vision that enables students to understand and identify with the world in all of its cultural (religious, artistic, political, economic, and linguistic) diversity.

Four Components of the Master of Divinity Degree

1. Specified Courses
Completion of all required courses and semester hours as described in this catalog.

2. Lifelong Formation
Lifelong Formation is an essential component in the education of all Truett Seminary students. As evidence of that belief, Truett seeks to build a culture committed to the following:

A. *Truett is a community that worships together.* We attend chapel regularly because worship of the Living God is central to our vocation as ministers and vital to our common life in this place.

B. *Truett is a community that learns together.* We attend lifelong formation events each semester based on our shared commitment to be ministers equipped for the work of the Gospel.

C. *Truett is a community that fellowships together.* We attend lifelong formation events so that we might learn from each other, and in turn, come to appreciate the Spirit’s work within the life of a community.

3. Mentoring in Ministry

A. Purpose
Mentoring in ministry is an *apprenticeship* program whereby the student is assigned to a ministry setting for the purpose of receiving *hands-on* experience and guidance in the day-to-day functions of ministry. The goal of mentoring in ministry is to provide the student with an intensive ministry experience, under the tutelage and supervision of a trusted mentor, that will enable the student to become acquainted with the actual tasks and functions of ministry. The student is to participate in the mentoring program after the completion of 30 academic hours and before the completion of 78 hours (or a full semester prior to graduation).

B. Issues Related to Academic Advisement
The preferred place for the student’s mentoring in ministry is the local church or a missions setting, but institutional or denominational settings are acceptable in approved cases. (It is considered that whatever area the student will be involved in ministry after graduation
from seminary, the local church or missions experience will be invaluable.) Students may enroll for either 6 hours or 9 hours in mentoring in a given semester.

C. Procedures

1. Students will attend a short workshop at least one semester before entering their field experience in MENT 7V00. As part of this workshop, students will enlist a Mentor and a Professor of Record, prepare their mentoring syllabus, write their spiritual autobiography, complete their ministry context analysis, practice theological reflection, and engage in other assignments that will prepare them to get the most from the field experience. For those students in the M.Div./MSW program, see the Associate Dean for requirements.

2. At the conclusion of the field experience (MENT 7V00), the student will submit a Mentoring Portfolio to the Professor of Record which will follow the requirements outlined in the Mentoring Handbook and will be kept on record at the Seminary.

3. The final grade in mentoring for the field experience (MENT 7V00) will be given by the Professor of Record after consulting with the Mentor and grading all assignments as required in the Mentoring Handbook.

4. **Spiritual Formation Groups**

   All seminary students and joint degree students must complete four semesters of participation in a spiritual formation group before graduating.

   Groups will meet on a regular basis and will be given readings and assignments associated with issues of spiritual formation. The focus of these groups will be growth in self-discovery, the practice of spiritual disciplines, worship, and discussion, all for the purpose of cultivating the kind of character, integrity, relational skills, and spiritual resources requisite for life in Christian ministry.

Joint Degree Program

Master of Divinity/Master of Social Work

The Master of Divinity/Master of Social Work Program prepares students to provide leadership and service through congregations, religiously affiliated organizations, and faith communities. Church agencies, as well as family and children’s agencies, gerontology programs, counseling centers, and community ministries in urban areas and international missions, need professional social workers. In addition, congregations often need the consultation and leadership in family and community ministry which social workers can provide. Many congregational leadership positions and often the chief executive officers of church-related agencies require an M.Div. or other graduate seminary degree as a qualification. This joint degree program, therefore, addresses this need for joint competency.

Admission

For admission to the joint degree program, candidates must apply and be accepted by both Truett Seminary’s Master of Divinity program and the Diana R. Garland School of Social Work’s Master of Social Work program.

Advanced standing MSW students have a different set of degree requirements from standard MSW students. Advanced standing MSW students should request a degree plan from their advisor in the Diana R. Garland School of Social Work.

*These are required courses; however, based upon previous academic experience, students may petition to waive or substitute these courses. Introductory courses are waived from the degree plan by passing an advanced standing exam (see the Advanced Standing Policy on page 41).

Satisfactory academic progress

Six (6) hours of Truett courses, Special Topics courses/seminars (4V80, 5V80, 5V70) and/or other courses approved by the Associate Dean for Graduate Studies may be taken to fulfill the elective requirement.

Students in the M.Div./MSW joint degree option should plan their coursework so that the M.Div. and the MSW degrees can be awarded simultaneously. Nevertheless, students who complete all work for the MSW degree can be awarded this degree first and separately; however, a student enrolled in this joint degree option may not receive the M.Div. degree first and separately but must receive the M.Div. degree either simultaneously with the MSW or subsequent to the awarding of the MSW.

Joint Degree Program
Master of Divinity/Master of Business Administration

Purpose Statement
The Master of Divinity/Master of Business Administration program prepares students for numerous ministerial contexts, including congregations, religious non-profits, religiously affiliated organizations, and church agencies. As religious institutions and congregations continue to morph into complex organizations and as non-profits and other religiously affiliated organizations continue to proliferate, the need continues to grow for qualified, competent, and well-educated individuals who understand and appreciate the mission of such institutions. Individuals in this program will benefit from the skill set developed through the Master of Business Administration but they will also gain through the Master of Divinity degree the biblical, theological, and ministerial formation necessary to serve in such contexts.

Admission
The MDiv/MBA joint degree meets the standard requirements of both graduate degree plans. Prospective students will declare their intent to enroll in the joint degree with the Associate Dean for Academic Affairs at Truett Seminary and the Graduate Associate Dean of the Business School. Students will be required to make formal application to each academic unit. Students would have two options for starting their joint degree. Option one: Non – business undergrad majors will complete the MDiv educational program prior to entering the MBA program. As part of the admissions process for the MBA program, students applying for the joint degree will complete the GMAT or GRE 60 days before starting the MBA program. Once prospective students have been accepted into the MBA program, prospective students will complete the Integrated Management System (IMS) course before taking the core business courses. Students taking IMS receive academic credit but do not earn a grade. Students must pass the IMS course in order to continue on with the MBA portion of the joint degree. Option two: Business undergrad majors would have the option of starting the MBA portion first or the MDiv. Students with an undergraduate degree in business are not required to take IMS. Master of Divinity students who fail to complete the requirements for the MBA portion of the joint degree, however, will be eligible to complete the MDiv degree in consultation with the Associate Dean for Academic Affairs at the Seminary.

Joint Degree Program
Master of Divinity/Master of Science in Education/
Master of Arts in Education

Purpose Statement
The Association of Theological Schools has established that the purpose of this degree is to prepare ministers who can employ the latest educational philosophies, strategies, and methods in congregational ministry environments as well as in public and private educational settings.

As denominational structures have diminished in size and influence, so too have the Christian Education products and services they once provided. Further, many churches have changed philosophies and methodologies of ministries of every sort, not the least of which their understanding of Christian Education. It is also true that church-related elementary and high schools are on the increase for a number of reasons. The Master of Divinity degree would provide the biblical, theological, and ministerial foundations for such positions, while the Master of Science in Education (Exam) or Master of Arts (Thesis) degree would equip students with the education skills necessary for the positions.

Admission
The MDiv/MSEd (MA) joint degree meets the standard requirements of both graduate degree plans. Prospective students will declare their intent to enroll in the Joint degree with the Associate Dean for Academic Affairs at Truett Seminary, the Assistant Director of Academic Services at Truett Seminary, and the Graduate Program Director in the Department of Curriculum and Instruction. Students will be required to make formal application to each academic unit. Students may take courses from both schools in the same semester, but they will not be granted either degree until they can be granted both degrees. Students who are unable to complete the requirements for both degrees will consult with the Associate Dean for Academic Affairs at the Seminary and the Graduate Program Director, Curriculum and Instruction, School of Education to disengage from the joint program.

# Joint Degree Program
## Master of Divinity/Juris Doctor

### Purpose Statement
The joint degree links the faculties, resources, and educations of a nationally-recognized law school and a top-tier seminary, offering to students an education that prepares them well for a multitude of leadership opportunities. Graduates will be fully qualified to serve in a traditional law practice or in a congregational setting. Beyond these contexts, the skill sets developed from this program would also allow graduates to serve in non-profit organizations, particularly those focused on human rights, or in careers that provide legal advocacy for society’s underserved populations.

### Admission
The joint MDiv/JD degree meets the standard requirements of both degree plans. A prospective student must make regular application for admission to, and be accepted by, both the Law School and the Seminary. Once admitted to both schools, the student will declare his or her intent to enroll in the joint degree with the Associate Dean for Academic Affairs of the Seminary and the Associate Dean of the School of Law. Applicants also may begin the coursework in one school before applying for admission to the other program so long as admission to the second program is obtained before completion of the work in the first.

Once admitted to both programs, joint degree students have some flexibility in scheduling their coursework in each school. Because it is generally in their best interest to take the bar examination immediately upon completing their JD degrees, most students will complete the requirements for their MDiv degrees prior to starting coursework for their JD degrees. Alternatively, they may choose to begin and complete the MDiv coursework between the second and third years of their JD coursework.

Master of Arts in Christian Ministry

Purpose of the Degree

The Association of Theological Schools has established that the purpose of the Master of Arts in Christian Ministry degree is “to equip persons for competent leadership in some form of specialized ministry in congregations and other settings.”

The Master of Arts in Christian Ministry degree at the George W. Truett Theological Seminary provides a basic foundation of study in biblical and theological disciplines, while also preparing students for specialized ministry within and alongside the church (e.g., religious education, youth ministry, or children’s ministry). The degree consists of a minimum of 60 hours and normally requires at least two years of full-time study to complete.

Primary Goals of the Program

The George W. Truett Theological Seminary of Baylor University creates a learning environment that shapes scholar-ministers for the Church in the historic orthodox Christian tradition. The Seminary does so in the larger context of a major national research university with a confession rooted in the historic Baptist tradition.

As evidence of the Seminary’s commitment to both its ecclesial and educative contexts, Truett Seminary creates an intentional learning environment that promotes formation, deepens knowledge, and embraces praxis. These three areas–being, knowing, and doing–prove equally foundational and absolutely essential for holistic ministerial formation.

Graduates of the George W. Truett Theological Seminary should be:
Persons with a developing sense of calling and a growing dedication to the mission of God in the world;
Persons with a deepening commitment to the life of the church;
Persons who are continually being formed as followers of Christ, committed to integrating the Christian practices into daily life (e.g., worship, prayers, study, service);
Persons of high ethical standards regarding their relationship and responsibility to self, family, congregation, colleagues, community, and creation.

Graduates of the George W. Truett Theological Seminary should know:
The narrative of Scripture including the contours of the biblical stories of Israel, Jesus Christ, and the church, as well as the central themes of creation, fall, redemption, mission, and recreation that shape the narrative;
The Great Tradition (and traditions) of Christian thought;
Baptist history and doctrine, while developing an appreciation for the wider ecumenical community;
Appropriate means for articulating the Christian faith in light of the context in which she or he ministers.

Graduates of the George W. Truett Theological Seminary should be able to:
Demonstrate competency in basic ministry skills, including preaching, leading, administration, and conducting public worship and the ordinances of the church;
Interpret accurately the Christian Scriptures and apply them effectively to ministry tasks (e.g., preaching, teaching, discipleship);
Reflect critically and theologically upon the acts and experiences of Christian ministry;
Lead congregations in spiritual formation and discipleship;
Practice contextual evangelism;
Participate effectively in God’s mission locally and globally;
Exercise skillful care of people in the midst of crises, but more broadly, through all stages of life;
Relate effectively and authentically as a human to humans in the common concerns of life;
Demonstrate appropriate self-care.
Learning Outcomes

The M.A.C.M. degree program provides a basic foundation of study in biblical and theological disciplines, while also preparing students for specialized ministry within and alongside the church (e.g., religious education, youth ministry, or children’s ministry). The degree consists of a minimum of 60 hours and normally requires at least two years of full-time study to complete. The curriculum is competency-based and thus strives to enable students to achieve competency in six basic areas:

Christian Scriptures & Theology
Students will be able to draw and reflect upon Scripture and the classical and contemporary literature of the Church to articulate an informed Christian world view for life and ministry.

Leadership & Administration
Students will understand and demonstrate effective, Christian leadership skills for ministry.

Nurture & Cure Of Souls
Students will be able to nurture individuals using an integrated set of pastoral skills and spiritual disciplines.

Lifelong Learning
Students will participate in lifelong learning events outside of classroom responsibilities and will value lifelong learning as a means for discovering resources for ongoing ministry enhancement.

Spiritual Formation
Students will nurture personal and communal spiritual formation as a foundation for a life of ministry.

Evangelism & Global Missions
Students will think critically regarding the worldwide mission of the church, demonstrate skills for leading persons to faith in Jesus Christ through holistic ministries and verbal and lifestyle witness, and understand the need to catalyze congregations for local and international witness.

All applicants must have completed a baccalaureate degree or its equivalent from an accredited college or university and meet the admissions requirements outlined in the Seminary catalog.

Master of Theological Studies

Purpose Statement

The Association of Theological Schools has established that the purpose of this degree is to provide a basic understanding of theological disciplines for further graduate study or for general educational purposes.

The Master of Theological Studies (M.T.S.) degree at George W. Truett Theological Seminary provides a basic foundation in biblical and theological disciplines and a concentration in a particular area of study and practice. It is designed to provide students with both a general theological education and the opportunity to concentrate in subjects important to their interests or ministries. As a general theological studies degree rather than a professional degree, it is not designed for students seeking ordination or leadership positions within congregations. It consists of a minimum of 48 credit hours and normally requires at least two years of full-time study to complete. An M.Div. student who intends to change to the MTS degree can only transfer a total of 12 hours of coursework without an extra fee. If an M.Div. student has earned more than 12 hours of coursework and wishes to change to the MTS degree, a fee will be assessed (see Financial Information section).

All applicants must have completed a baccalaureate degree or its equivalent from an accredited college or university.

Primary Goals of the Program

The George W. Truett Theological Seminary of Baylor University creates a learning environment that shapes scholar-ministers for the Church in the historic orthodox Christian tradition. The Seminary does so in the larger context of a major national research university with a confession rooted in the historic Baptist tradition.

As evidence of the Seminary’s commitment to both its ecclesial and educative contexts, Truett Seminary creates an intentional learning environment that promotes formation, and deepens knowledge.

Graduates of the George W. Truett Theological Seminary should be:

Persons with a developing sense of calling and a growing dedication to the mission of God in the world;

Persons with a deepening commitment to the life of the church;

Persons who are continually being formed as followers of Christ, committed to integrating the Christian practices into daily life (e.g., worship, prayers, study, service);

Persons of high ethical standards regarding their relationship and responsibility to self, family, congregation, colleagues, community, and creation.

Graduates of the George W. Truett Theological Seminary should know

The narrative of Scripture including the contours of the biblical stories of Israel, Jesus Christ, and the church, as well as the central themes of creation, fall, redemption, mission, and recreation that shape the narrative;

The Great Tradition (and traditions) of Christian thought;

Baptist history and doctrine, while developing an appreciation for the wider ecumenical community;

Appropriate means for articulating the Christian faith in light of the context in which she or he ministers.

Learning Outcomes

The M.T.S. program at Truett Seminary seeks to achieve holistic student development by equipping students through theological and biblical reflection, spiritual formation, lifelong learning, ministry service, and cross-cultural sensitivity. The curriculum is competency-based and thus strives to produce students who achieve competency in three basic areas:

Christian Scriptures & Theology

Students will be able to draw and reflect upon Scripture and the classical and contemporary literature of the Church to articulate an informed Christian world view for life and ministry.

Lifelong Learning

Students will participate in lifelong learning events outside of classroom responsibilities and will value lifelong learning as a means for discovering resources for ongoing ministry enhancement.
Spiritual Formation
Students will nurture personal and communal spiritual formation as a foundation for a life of ministry.

Technicalities:

The MTS degree consists of 48 course credit hours. The MSW degree can be earned through two programs, the standard two year program and the advanced standing program. The standard two-year program requires 60 course credit hours. This program and the MTS require a total of 108 hours when completed separately. For social work students in the standard two year program, the total number of non-repeating hours for the MTS/MSW joint program will be 93 hours.

For those students who qualify, the MSW advanced standing program consists of 35 course credit hours, so that it and the MTS require a total of 83 hours when completed separately. For social work students in the advanced standing program, the total number of non-repeating hours for the MTS/MSW joint program will be 71 hours.

In the proposed joint degree program, 9 elective hours taken in the Diana R. Garland School of Social Work will be counted toward the MTS degree requirements. Six hours from the MTS degree will be counted toward the standard two-year MSW program requirements and three from the MTS degree will be counted toward the advanced-standing MSW program requirements (advanced standing).

Transfer credit toward the Truett Seminary D.Min. degree will be considered on an individual basis. Only coursework completed in accredited doctoral programs will be considered. Academic Regulations

Residency
Required on-campus residency at Baylor University for the D.Min. occurs in four special seminars over a two-year period (fall, spring, and summer). It is intended that each two-week seminar will be led by a Truett faculty member and a recognized ministry expert. Students will also participate in an extensive program of individual guided study and involvement with peers in ministry. Doctor of Ministry students will have full access to the academic facilities and resources of Baylor University.

Academic Progress
Students must repeat any seminar in which they receive less than a “B” as their final grade. Students will be placed on Probationary Status until the seminar is completed with a satisfactory final grade. The student shall be allowed to repeat a seminar only once.

Qualifying Examinations
An oral qualifying examination will be given following the final seminar and after completion of individual guided study.
Upon completion of the Core Seminar Hours (with at least a 3.0 GPA in those seminars), each candidate will take the qualifying exam. “Qualifying” in this context means to show sufficient performance and promise to stay enrolled in the Doctor of Ministry degree program. The D.Min. Director and/or the chair of the candidate’s Doctoral committee will administer the exam. Results of the exam will be recorded in writing with the D.Min. Program Director.

Doctoral Committees
Each D.Min. student will have a Doctoral Committee consisting of his/her faculty supervisor and field supervisor (see Doctor of Ministry Handbook).

Doctor of Ministry Academic Concentrations
Work on the candidate’s concentration and the core seminar hours will run concurrently.
Immediately upon admission confirmation, the candidate will begin to negotiate with his/her Doctoral Committee and the D.Min. Program Director a program of Individual Guided Study, which is learning tasks designed to facilitate achievement of the goals and requirements of the program. The program of Individual Guided Study represents an agreement between the candidate and Truett Seminary and is how the Concentration Hours requirement is to be met. It includes, but is not limited to: (1) commitment to reading an extensive selected bibliography and (2) activities such as continuing education seminars, academic courses at Truett Seminary, Baylor University, and/or elsewhere, and independent consultation with resource persons related to the particular concentration (see list below) of a candidate’s program. The program of Individual Guided Study will provide ways for the candidate to be accountable for his/her progress and will include submission of various written reports related to Guided Study activities.

All of the required Guided Studies activities are to be in the candidate’s one selected concentration.
1. Biblical Exegesis and the Communication of Scripture
2. Theological and Spiritual Formation/ Discipleship
3. Nurture and Care of Souls/ Pastoral Care
4. Worship
5. Church and Ministerial Leadership
6. Evangelism, Church Planting, and World Witness
7. Christian Faith and Contemporary Culture

Please see the Doctor of Ministry Handbook for the guidelines that will ensure equity and consistency in reading requirements, learning activities, and grading in the program of Individual Guided Study across the various concentrations.

In summary, a satisfactorily completed Individual Guided Study Program will have produced four documents in a candidate’s permanent file: (1) a collection of reports detailing academic and spiritual progress (one per quarter beginning after the first seminar); (2) an annotated bibliography covering each book studied and (3) detailed reports covering each event undertaken; and (4) an integrative
biblical and theological paper judged satisfactory by the candidate’s Doctoral Committee. Satisfactory completion of the Individual Guided Study Program and the fourth seminar marks entry into the Culminating Project phase of the D.Min. program.

**Culminating Project**

The culmination of the D.Min. program is the research for and written report of a major ministry project within the candidate’s area of concentration. Required format and structure of the written report are described in the *Doctor of Ministry Handbook*. The candidate’s doctoral committee supervises the project. All culminating projects are to exhibit a clearly articulated theological rationale and a connection to the context in which ministry occurs. Undertaking the culminating project requires (1) the recommendation by the candidate’s doctoral committee including its endorsement of a submitted project proposal as well as (2) the approval of the project proposal by the Truett Seminary D.Min. Committee.

Each candidate will undergo an oral defense of their culminating project written report. The Chair of the candidate’s Doctoral Committee will notify the D.Min. Program Director that the written report is ready to be defended and will provide a copy of the report to the director at that time. A meeting will then be scheduled of the candidate, the candidate’s Doctoral Committee, the D.Min Program Director, and outside readers. This group will point out needed corrections and/or accept the report as sufficient and complete. The candidate will have two weeks to make any corrections and submit the report for binding.

**Completion of the Doctor of Ministry Program**

Progress through the stages of the program is to be regularly evaluated and monitored by the candidate’s Doctoral Committee and the D.Min. Program Director. Additional working papers or projects may, from time to time, be required as the basis for evaluation. The student must have an overall grade point average of 3.0 in his/her D.Min. program in order to graduate. Completion of each phase of the program (Core Hours, Concentration Hours, and Culminating Project) is to be certified by the candidate’s Doctoral Committee. The D.Min. degree program is designed to be completed not more than four years after the date of admission. The Culminating Project is to be completed within two years following approval of the Project Proposal. Any extension of these provisions will require the written and filed approval of the D.Min. Program Director, and the D.Min. Committee. Each student is allowed six years from the date of first enrollment to complete program requirements. A student may apply for an extension of time, which must meet extension requirements and must be approved by the D.Min. Committee.

Ph.D. in Preaching Program
Ph.D. in Preaching Program

Purpose
The Ph.D. in Preaching program provides an opportunity for qualified students to engage in graduate work in the discipline of homiletics at the highest level. It provides preparation for research and teaching in undergraduate and graduate theological education and for the development of pastor-scholars. The program offers a rich study of preaching in relation to exegesis, history, theology, ecclesiology, homiletical structure and practice, and teaching.

Admission Requirements
Applicants will be required to have a Master of Divinity degree (or 72 hours of graduate credit from an accredited program) with a 3.5 or higher cumulative grade point average. Applicants will also be required to perform well on the Graduate Record Examination, not least on the verbal portion of the exam. Students must also demonstrate proficiency in Hebrew and Greek before admission and enrollment, along with one modern research language to be completed by the end of the first year.

The following items must be submitted/completed as part of your online application to Truett Theological Seminary and the Baylor University Graduate School:

1. Provide Graduate Record Exam (GRE) scores. Information concerning the GRE may be obtained from Graduate Record Examinations, Educational Testing Service, Box 6000, Princeton, New Jersey 08541-6000 or the GRE website at gre.org.

2. Provide a statement of purpose of 7-10 pages (single-space) indicating rationale for pursuing graduate work in preaching.

3. Applicants will also be required to submit two sermon manuscripts and recordings of two preaching events—one from the Old Testament and the other from the New Testament.

4. Applicants will demonstrate their facility with the biblical languages by submitting exegetical papers for both sermons and by taking a language competency exam during the admissions process.

5. Applicants will provide a sample of scholarly writing, representing the applicant’s best research and writing. One example (not exceeding 25 pages double-spaced) of a recent work of scholarly writing that provides evidence of one’s capacity to think analytically and critically about homiletics. The following are examples of appropriate submissions:
   • Published article, book chapter, or excerpt from a published work.
   • Unpublished research paper.
   • A paper written in a graduate level course.
   • A 7-10 page paper on a topic (homiletics) of interest to the applicant that is written specifically as the writing sample for the application.

6. Applicants will provide a resume or Curriculum Vitae. Include a list of publications and professional presentations.

7. Applicants must have three to five years of full-time pastoral/preaching ministry.

8. Applicants will submit official transcripts of all degree work: undergraduate, masters degrees, and specifically the master of divinity degree (with a 3.5 or higher cumulative grade point average on a 4.0 scale) from an accredited seminary or university.

9. Applicants will provide three letters of recommendation. Two of the references should come from academic faculty who can attest to the applicant’s superior ability and potential. A third reference should come from the leadership of the congregation in which the applicant is serving, in support of Ph.D. studies. This can be from the board of deacons, elders, or other leadership body of the church. For full-time applicants, a letter from a member of the pastoral staff will be acceptable.

10. Selected students may be brought to campus for interviews in the final stage of selection.

Admission to the Ph.D. in Preaching represents a competitive process. The most qualified applicants will receive an invitation to enter the Ph.D. program. Admission to the Ph.D. in Preaching program does
not rest on a single factor but on the strength of the entire application portfolio, which demonstrates readiness for research doctoral studies.

**Language Requirements**

Students will be required to have completed and demonstrated competence in both biblical languages, Hebrew and Greek. One foreign language must be completed before the end of the first year of the program. Until then, the student will be admitted on probation.
