

Pre-Professional Programs that May Require Chemistry 1301

These programs are not majors. Baylor University offers a program of undergraduate instruction designed to prepare students for application to the professional schools. Most professional schools do not have a preference for a particular degree or major. Students should incorporate prerequisite courses, such as calculus and chemistry into whatever degree program they choose. Students should seek more information and contact for various professional schools.

Pre-Dental
Pre-Medical
Pre-Occupational Therapy
Pre-Optometry

Pre-Pharmacy
Pre-Physical Therapy
Pre-Physician Assistant
Pre-Veterinary Medicine

Majors/Programs that May Require Chemistry 1301

Major

Anthropology
Astronomy
Astrophysics
Aviation Sciences
Aviation Management
Biochemistry
Bioinformatics
Biology
Chemistry
Clinical Laboratory Science
Computer Science
Economics
Electrical and Computer Engineering*
Engineering*
Environmental Health Science
Environmental Science
Geology
Geophysics
Health Science Studies - See list of options below**
Mathematics
Mathematics, Applied
Mechanical Engineering*
Middle Grades Science
Neuroscience*
Nutrition Sciences
Physics
Psychology*
Science Research Fellows
Secondary Physical Science
Statistics

Degree

Bachelor of Science
Bachelor of Science
Bachelor of Science
Bachelor of Science in Aviation Sciences
Bachelor of Science in Aviation Sciences
Bachelor of Arts; Bachelor of Science
Bachelor of Science in Informatics
Bachelor of Science
Bachelor of Arts; Bachelor of Science
Bachelor of Science
Bachelor of Science in Computer Science
Bachelor of Science; not required for Bachelor of Business Administration
Bachelor of Science in Electrical and Computer Engineering
Bachelor of Science in Engineering
Bachelor of Science
Bachelor of Science
Bachelor of Science
Bachelor of Science
Bachelor of Science
Bachelor of Science in Mechanical Engineering
Bachelor of Science in Education
Bachelor of Science
Bachelor of Science
Bachelor of Arts; Bachelor of Science
Bachelor of Science
Bachelor of Science
Bachelor of Science in Education
Bachelor of Science

*Students begin these majors in the pre-major; for example "Pre-Engineering".

**The following Health Sciences Studies options require Chemistry 1301

Health Science Studies - Health Professions Option
Health Science Studies - Pre-Athletic Training Option
Health Science Studies - Pre-Medical/Pre-Dental Option
Health Science Studies - Pre-Physical Therapy Option
Health Science Studies - Pre-Physician Assistant Option
Health Science Studies - Secondary General Science Education Option
