To extend access from the Baylor Chemistry 2018-2019 course to the Baylor Chemistry 2018-2019 Extended Access course, follow the instructions below:

From your student account home page, select +NEW CLASS

Enter the course code of the new class (KCWPC-YDQTTU) and click REGISTER

SIGN UP FOR A NEW CLASS
Register here if you need to use ALEKS with a new class.

To begin, enter your 10-character class code below. You should have received this code from your teacher.

Please enter the new course code:

Course code: KCWPC-YDQTTU

CONFIRM ENROLLMENT INFORMATION
You are about to be enrolled in the following course. Please check the course details carefully. If the information is correct, click "Continue." If the information is incorrect, click "modify" to enter another course code.

Course: Baylor Chemistry 2018-2019 - Extended Access (College)
Subject: Summer Prep For General Chemistry
Instructor: Prof. McGrath
School: Baylor University (Modify)
You will be prompted to purchase your extended access for $30. You will have then have an additional 12 weeks of access. Note – you will need to take a new initial knowledge check when you begin the course to ensure you haven’t forgotten anything previously learned.
